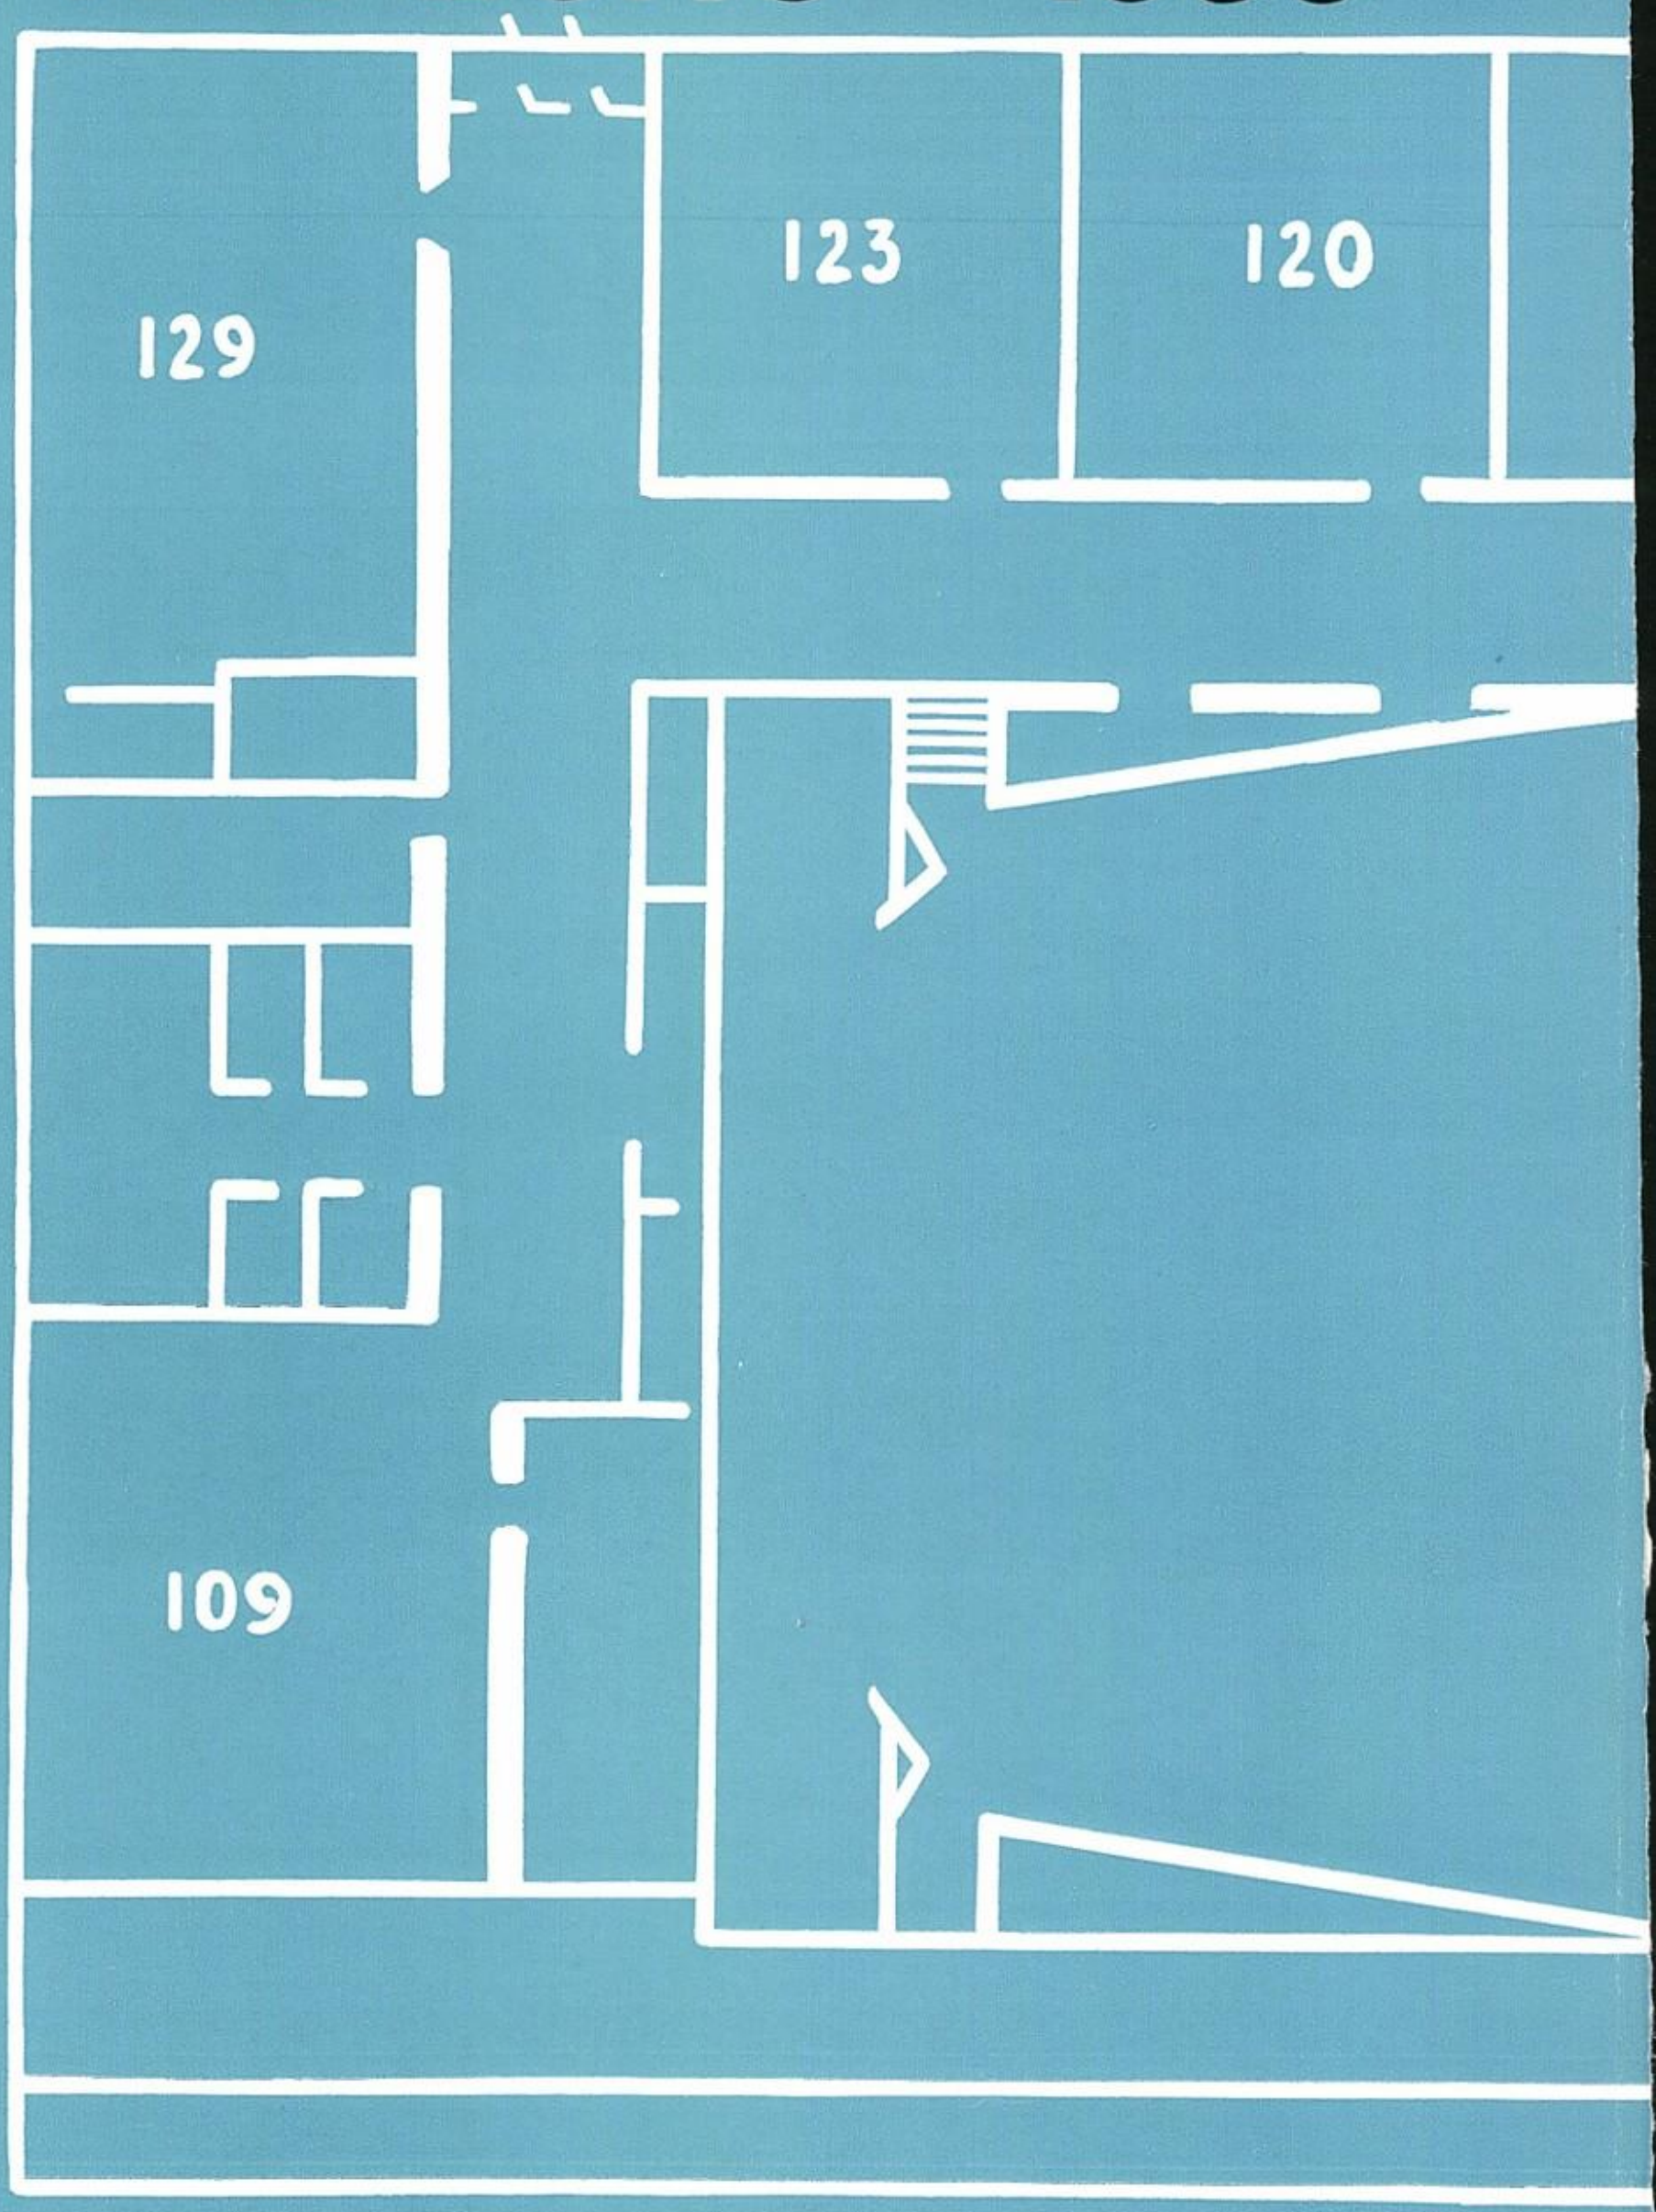
CURWENSVILLE JOINT HIGH SCHOOL

"We are building day by day the character that will make or mar our happiness."

THE ECHO - 1956



Curwensville Joint High School
Curwensville, Pennsylvania

Foreword

In foregoing years a new building had been only a dream. Gradually the dream grew, and the first step to reality was etched in a blueprint. After months of planning and designing, it was projected from a visionary anticipation to a tangible result, and it now stands as a modern institution of instruction. I, the **Echo** of 1956, have the pleasure of presenting the first full year of activity in our new edifice.

On the pages between these covers my engineers have attempted to construct a picture of daily school life. Imagine you are walking through the corridors of our temple of learning beholding the builders of tomorrow. As you proceed, the marked changes will be evident. There are the smooth, shiny desks, the expanses of gleaming glass windows, the polished equipment in the cafeteria, and the imposing staircase at the main entrance. Yet, with these apparent revisions of brick and mortar, the basic blueprint of our school—that of molding the lives of young Americans—remains unchanged.

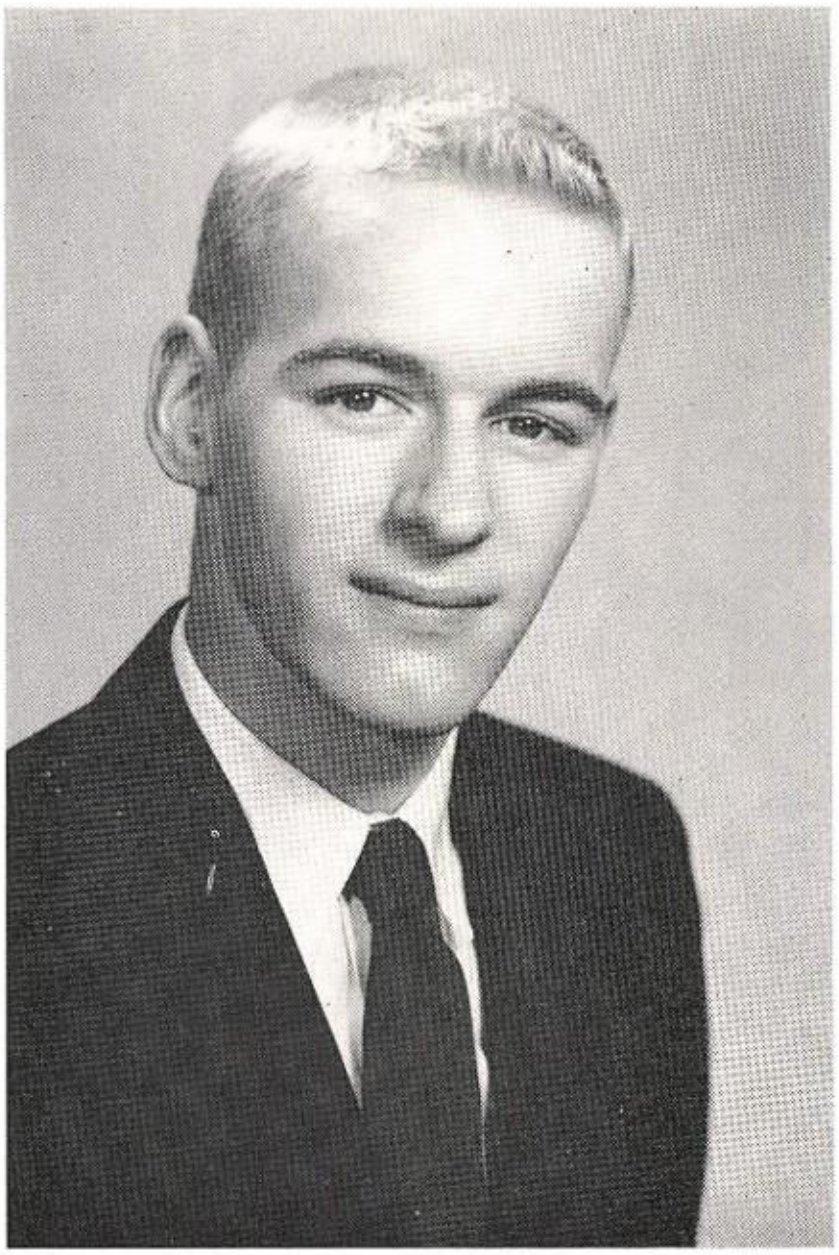
In Memoriam



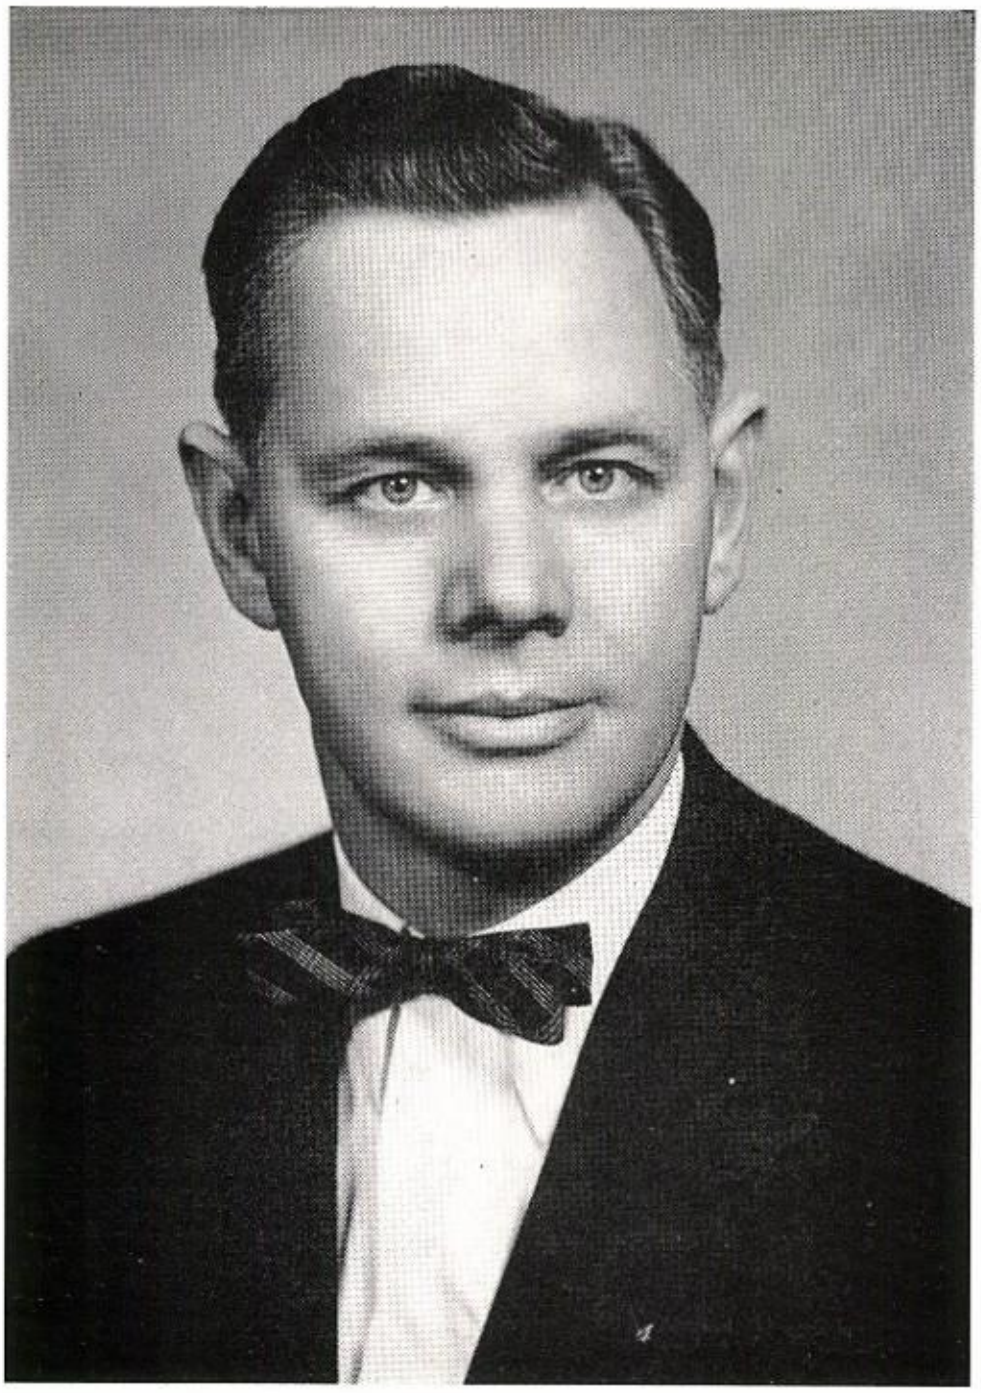
On April 18, 1956, an unsuspecting student body arrived at school, only to learn that one of its number, Dale Garten Pierson, son of Mr. and Mrs. C. E. Pierson, had been killed in an automobile accident. A stunned senior class began the usual day of studies, remembering the fun and hard work in which they had participated with Dale, knowing they would never do so again.

A more conscientious, trustworthy, and easy-going person has never walked through the portals of C. J. H. S. Not only is "Gart" numbered among the honor students of the class, but also is recognized as one of our leading thespians, having appeared in both of our class plays. We remember him for his unusual brand of humor, his knack of getting along with everyone, his zestful interest in all his activities, and his ambition to enter the medical profession.

Dale's earthly plans will never materialize, but who knows God's plans for him. Only Dale will understand why his ambitions could not be realized.

Time will lessen the anguish felt by his family and friends, but it will never fill the void left by his absence from the class of 1956.

"Some call it death, this slipping of earthly moorings,
And drifting with the ebbing tide away,
But it is only the passing through the shadows
Into a life of endless day."



"Three things are to be looked to in a building; that it stand on the right spot; that it be securely founded; that it be successfully executed."

The ECHO Speaks

All who are affiliated with Curwensville Joint High School—students, faculty, parents, and future generations—will be forever grateful to those who worked untiringly to materialize the dream born in the minds of men many thoughts ago, and which at last has been made tangible. It has taken these many people, working harmoniously together, to create and erect these pillars of learning which are the components of our Alma Mater.

The man to whom much credit must be accorded for having given his time, patience, and undying zeal toward the completion of this spacious new building is your supervising principal, Mr. Harry G. Heil.

Because you students have not associated with Mr. Heil on a student-faculty basis, perhaps you have not realized the work he has done to keep the framework of this institution steady and unwavering. Not only has he engineered the smooth-running curriculum and extra activities, but he has also been prominent in the successful fulfillment of your dream. Few will ever realize the long hours of extra work Mr. Heil put forth for the perfection of the dream as a beautiful thought in architecture.

With this in mind, I, the 1956 **Echo,** have been dedicated by my creators to Mr. Harry G. Heil, in recognition of his efforts.

Always ready to lend assistance to Mr. Heil were the members of the Board, Committee, and Authority of the Jointure.

Pictured breaking ground on August 21, 1953, are W. D. Tate, Chairman of the Authority, and A. Wilson Straw, President of the Joint Committee, who worked closely with Mr. Heil at all times.

A successful program for the ground breaking was guaranteed through the efforts of Mr. Heil, W. H. Briggs, our former high school principal, and D. A. Yingling, County Superintendent of Schools. These men are shown in the above picture.

The Joint Authority is shown below, approving the building plans submitted by the architect's representative, Walter Campbell.

Seated left to right: William Davis, W. D. Tate, Walter Rowles, Truman Wall. **Standing:** Clair Mills, John B. Gates, Walter Campbell, Harry Heil, Seth Reed.

'He builded better than he knew:

John E. Boob

At the beginning of the school term Mr. Warren H. Briggs resigned from his position as high school principal after faithfully serving our school for 18 years, first as teacher and then as principal. Mr. John E. Boob, who has been with the Curwensville Joint School System since 1950, was chosen to fill the vacancy.

Mr. Boob received his B.S. degree from Lock Haven State Teachers College and later enrolled in the Pennsylvania State University where he obtained his M.Ed. degree with a major in administration. During the brief time that he has served as principal, Mr. Boob has effected many changes in an effort to build a better school for both students and teachers. Prior to accepting this position Mr. Boob was an instructor of geography and guidance in the seventh and eighth grades.

We are the first senior class to have completed a full year of studies and activities in the new C. J. H. S. building. Although we had spent the last few weeks of the spring term here, the new classrooms and necessary changes in old procedures created a feeling of "newness" about even the most common activities. Soon, though, we were very much at home roaming the spacious corridors, and getting to classes on time.

After the gay reunion with our classmates, we plunged into the busy schedule of electing officers, choosing class projects, and all the many other duties confronting seniors. The first big undertaking of the year was a magazine campaign in which the class ably displayed its selling ability by greatly surpassing the goal set for this fund-raising project.

As we look back upon our senior year, we will never forget our dramatic production, "Turn Back the Clock," or "April Showers," our class dance. Although the hepatitis epidemic threatened the success of the dance for a short time, "April Showers" proved to be as popular and as great a success as "Turn Back the Clock."

While we were preparing for the play and dance, posing for our senior pictures, and selecting name cards and announcements, we were hardly cognizant that our high school life was so near its close; but when the time came for the annual Junior-Senior Banquet and Prom and commencement activities, we realized that soon we must make our own way in the world.

Although we may feel sad at the thought of leaving school, we are eagerly looking forward to the life for which we have been earnestly preparing for the last twelve years.

Our driver education course isn't all acceleration and learning to shift gears. The students learn all about a car, as well as testing their ability to be a safe driver. Thomas Thacik tests his steady nerves, and Nancy Straw peers into the depth-perception machine.

And now, into our spacious gymnasium. There are some of our feminine gymnasts exhibiting their newly acquired skill on our newly acquired equipment. The library is a familiar place to all seniors for reference work and pleasure reading alike. It's a big day for seniors. Their pictures have arrived, and the activity room is the scene of confusion. John Harmic, who kept record of all senior pictures for Shull's studio, is tallying George Phillip's pictures, as Patricia Mullins gives critical attention to Grace Swales' photograph.

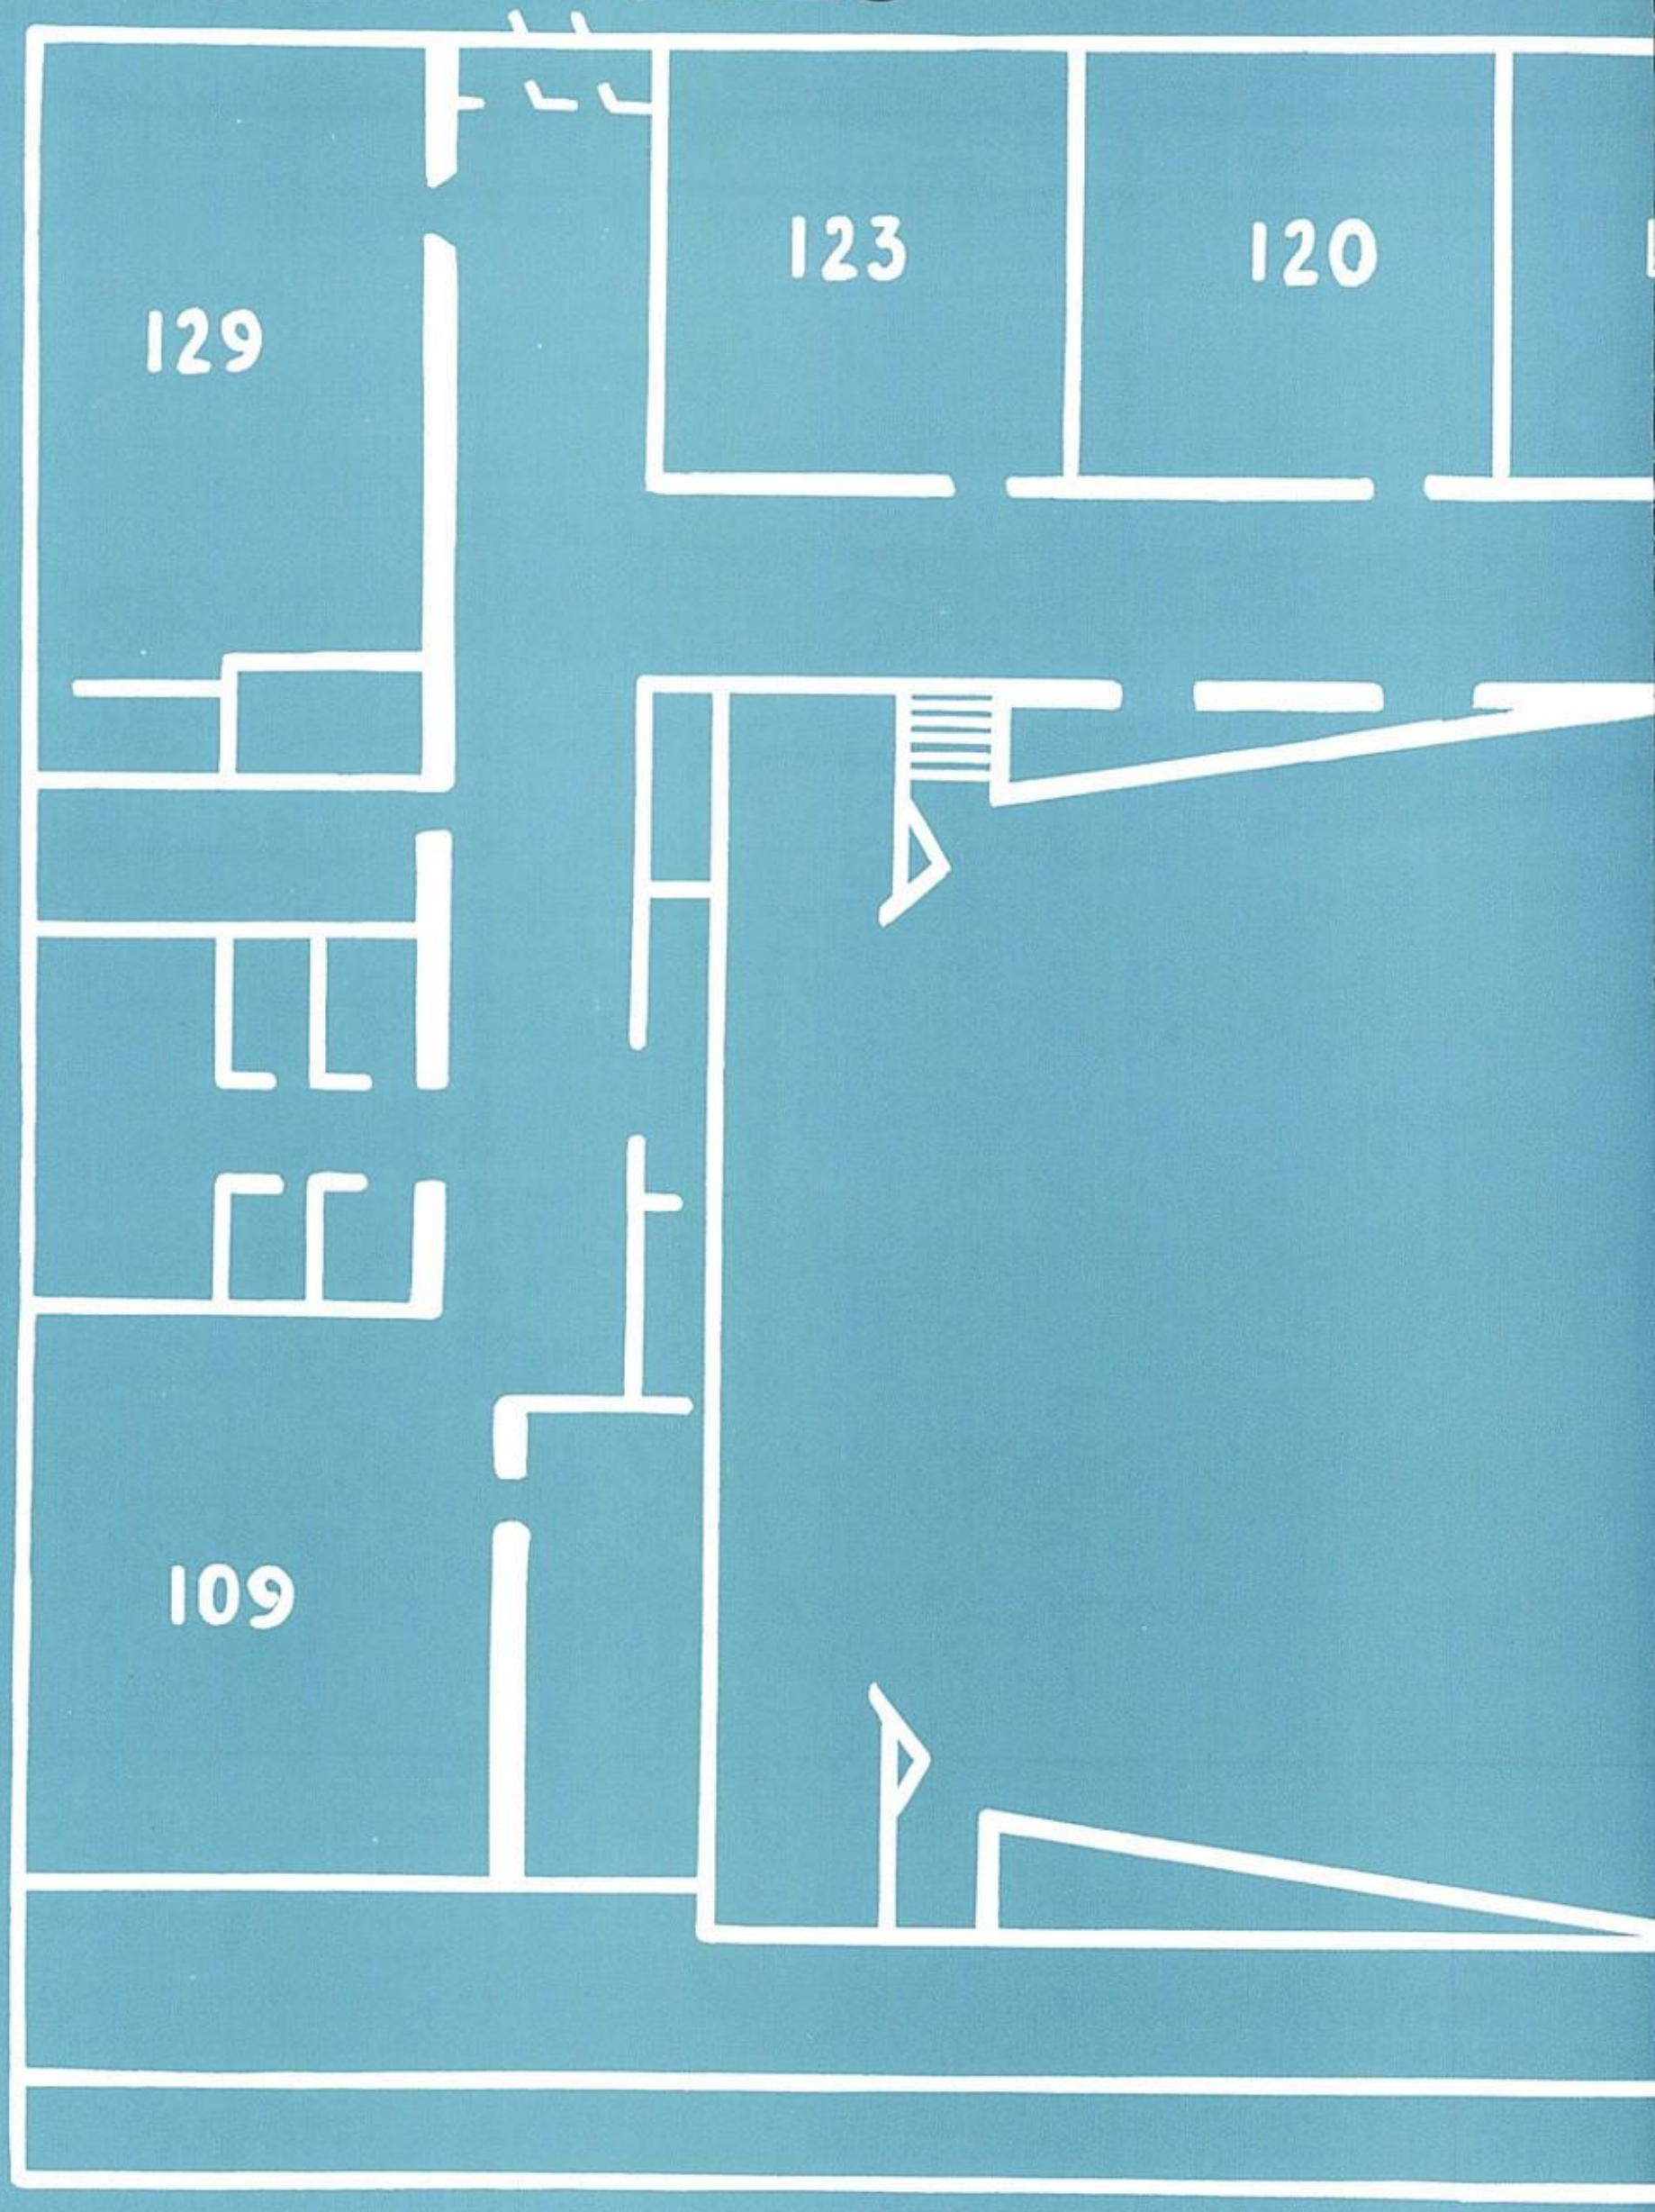
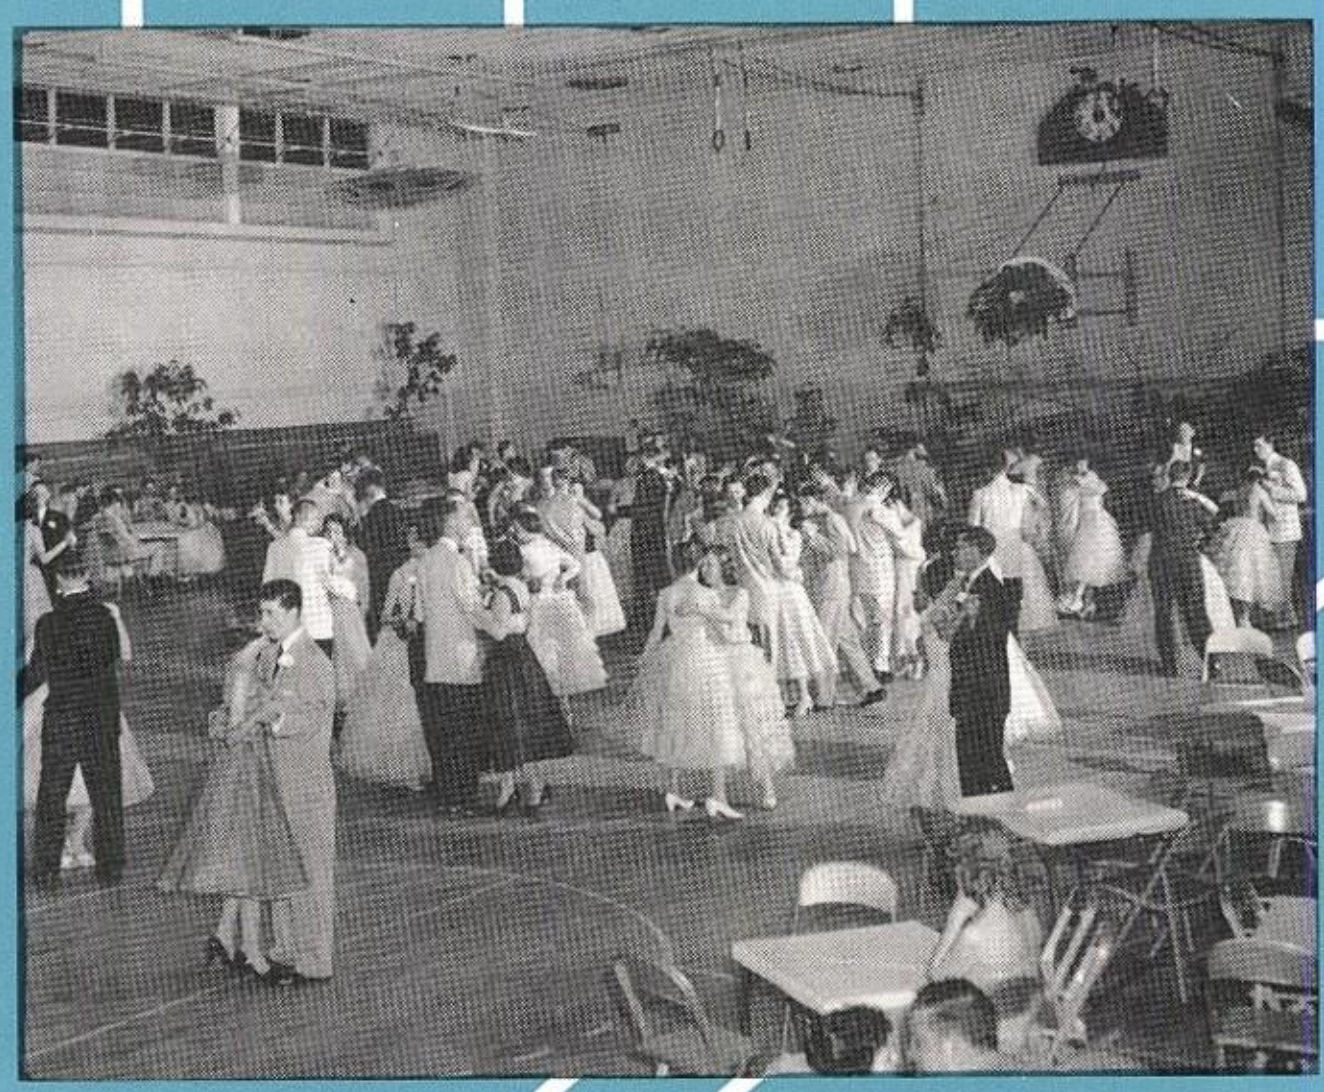
ACTIVITIES





The Sports Program

In our school athletics play an important part in the lives of many students. Good sportsmanship, honesty, respect for the ability of others, and fair play are attributes developed in those who engage in the numerous sports activities. Sound minds and strong bodies are cultivated, thus contributing greatly to the creation of intelligent, healthy, well-adjusted citizens.

C.J.H.S. inaugurated wrestling as a major sport this year, giving more boys the opportunity to take part in a well-rounded athletic program. Our school officials, in doing this, are striving to enlarge and vary the sports schedule for the benefit of the entire student body. It is the hope of Tide athletes and authorities that next year the "Black and Gold" will have an inter-scholastic track team.

Seated in the boys' locker room is Mr. Bonsall, faculty manager of athletics, discussing the year's sports program with our athletic coaches, **(left to right)** Mr. Brown, Mr. Ralston, Mr. Mallison, Mr. Palmer, Mr. Durandetta. Mr. Morgillo was absent when the picture was taken.

Some say "solid," others say "hep," but all agree that this year's cheerleaders were a very vital factor in keeping up our school spirit. With the guidance of Mrs. Doris Boob, and the leadership of the head cheerleaders, Barbara Hilleman and Vonda Lee Rowles, the student body was encouraged to make themselves heard at all athletic events.

Interesting and original stunts were presented at the numerous pep meetings in an effort to stir up enthusiasm for the various contests. As usual special plans were made for the pep rally preceding the Clearfield football game.

Below the cameraman features the cheerleaders leading a peppy yell.

High Lights Of The Season

The 1955 football season is now merely history, but to C.J.H.S. it represents many fond memories. The Tidemen, though defeated thrice, displayed an undying spirit that always accompanies a truly good football machine. Fighting hard and fair, they recorded six well-earned victories and a tie. The Golden Tide's losses came at the hands of tough, determined foes; but these defeats certainly did not weaken the never-failing support of the C.J.H.S. rooters. The school spirit, as in preceding years, was one that is indeed worthy of praise.

None of us will ever forget how a Huntingdon pass defeated our Tide 11 with only minutes remaining in the game, or the tingling of our ears from the bitter cold at Captain Jack. The enthusiastic pre-game pep rallies, sparked by our snappy cheerleaders, and the brilliant coaching of Al Brown and his assistants will always be remembered in the years to come. Nor could we ever erase from our memories the boys who played their last game for C.J.H.S. Never again will Buck, Moore, Hess, or Heidt issue thudding blocks and vicious tackles. The hard-running of Wink, McDonald, Lippert, and Berry will be history. No more will these able backs dash over the goal. Other seniors who contributed much to the success of the season were Domico, McCracken, Irwin, Catalano, and Pentz.

Truly, the season was one that shall be remembered always by the team, the coaches, and the student body.

With Paul Berry clearing the way at the extreme right, Chuck Wink has clear sailing to paydirt.

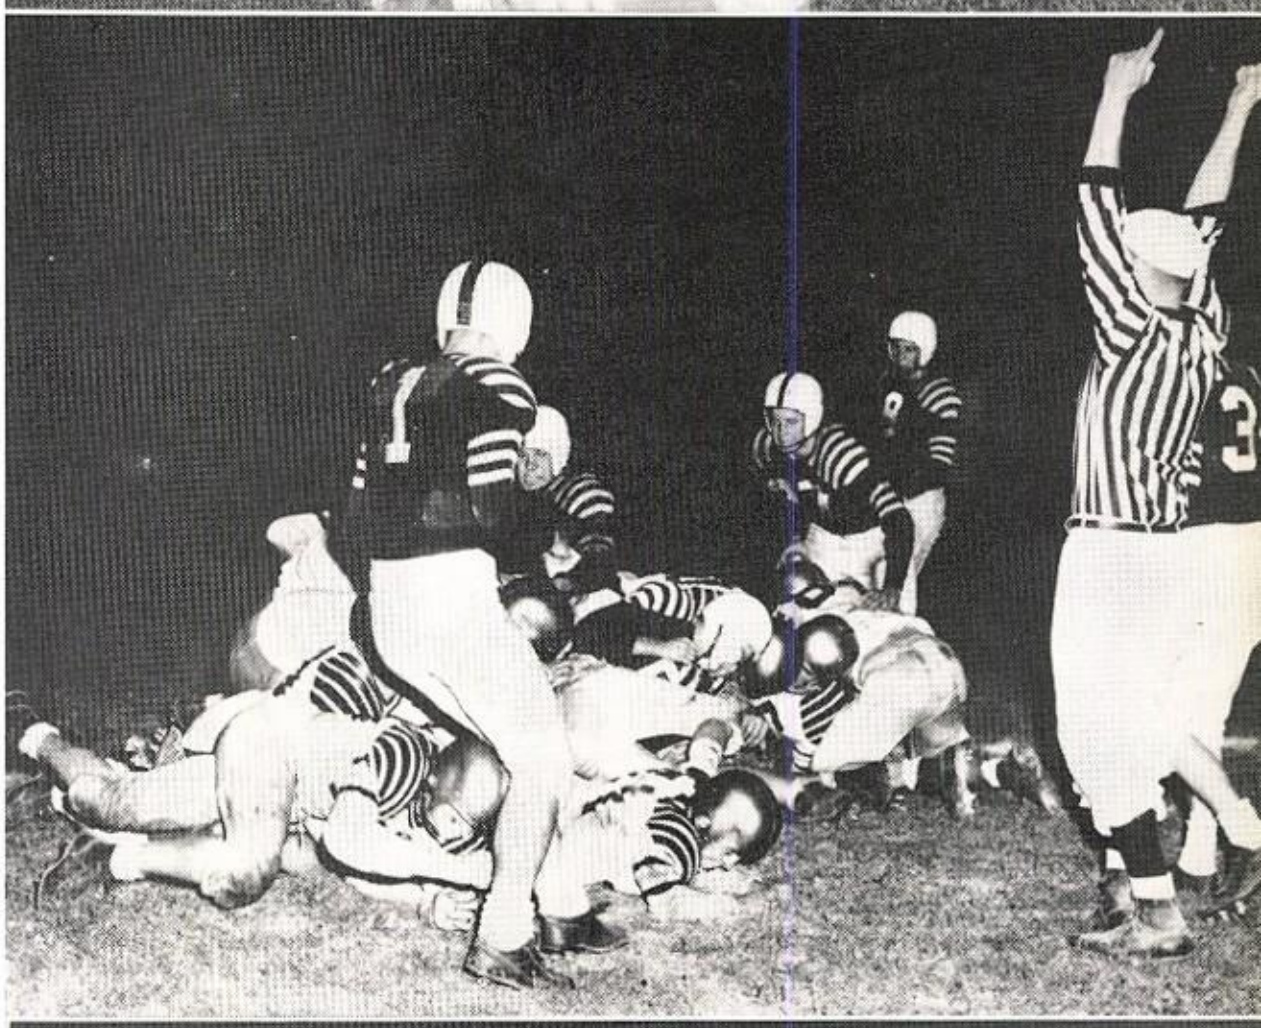
Striving to boost the morale of our team at the pre-Clearfield pep rally, the cheerleaders presented the boys with a cake, and a horseshoe for "good-luck." Coach Brown was given cuff links, in recognition of a season of coaching well done. Posing for the cameraman are **(left to right)** Jim Hess, Vonda Rowles, Dave Heidt (partially hidden), Dan Moore, Frances Errigo, Mr. Brown, Barbara Hilleman, and Martin Johnson.

Our energetic cheerleaders lead us in a rousing song in the crisp night air at the pre-Clearfield pep rally.

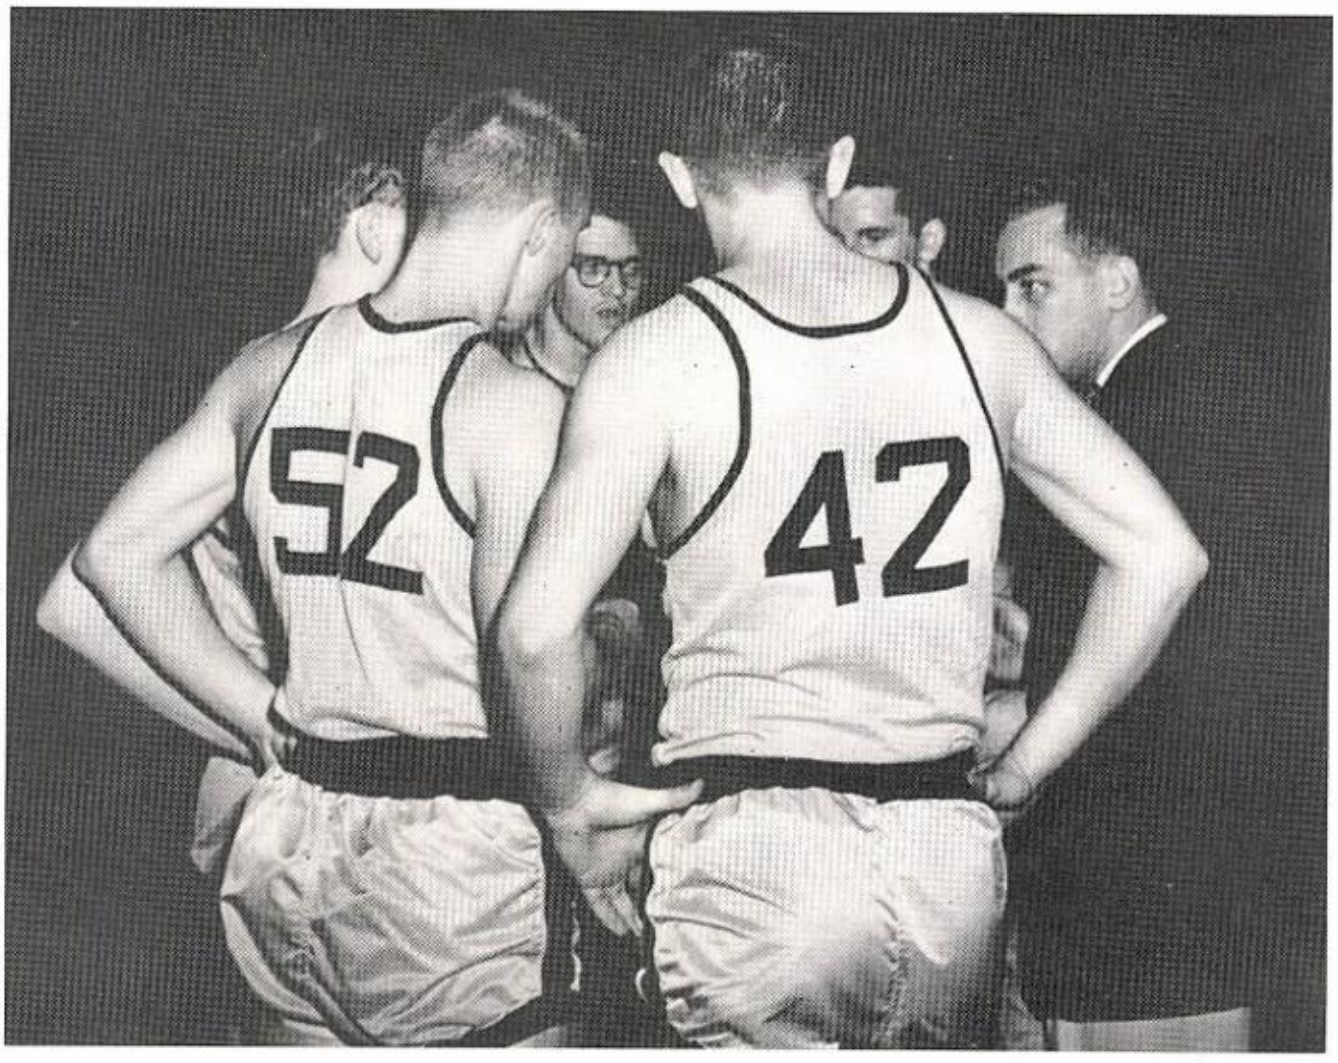
Helmets and feet come to the foreground while an entire team tries to "hinder" the unfortunate fellow carrying the pigskin. Lippert, at right, surveys the pile-up, finding Martin Johnson in the foreground.

Burly Chuck Wink dashes down the field with his faithful side-kick Paul Berry again at the extreme right. This scamper to gain yardage, pictured at the Moshannon game, was repeated by Wink time and time again during the season.

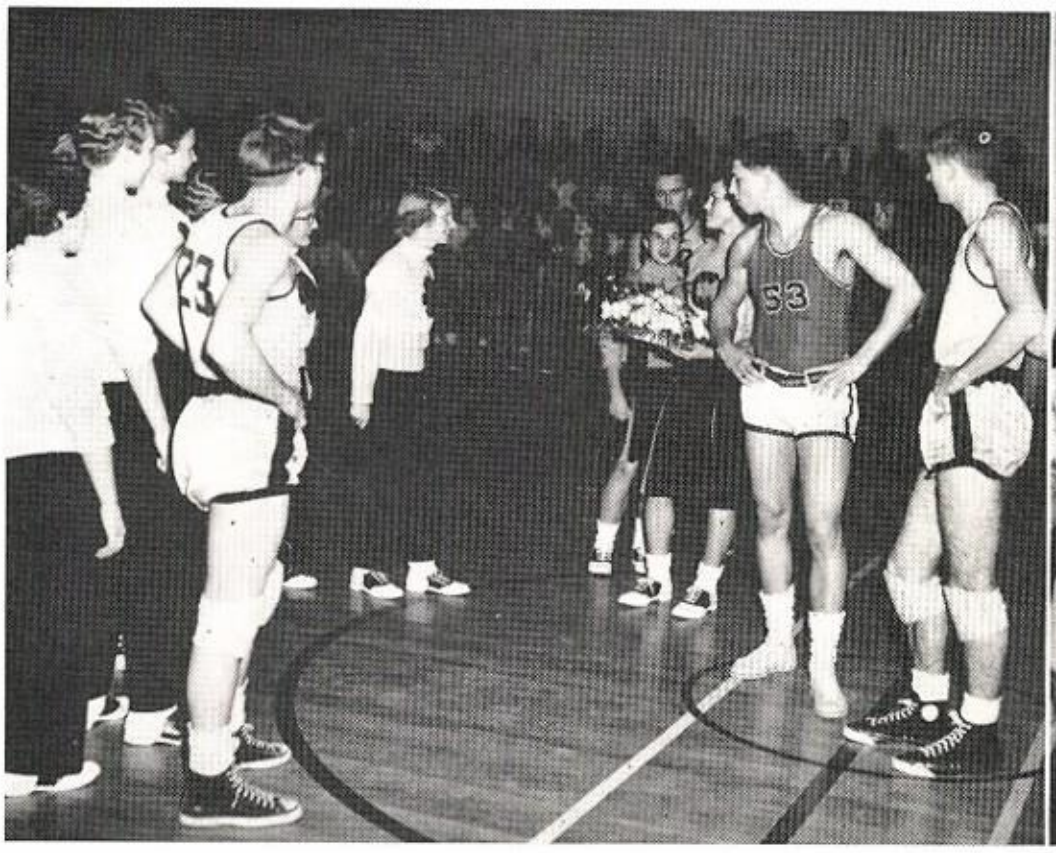
The official gives a welcome sign as he once more signals a touchdown in the Wesleyville game—this one carried by Lippert, presumably in a quarterback sneak.



Right end, Jim Buck, grabs a long pass from Lippert and sprints over the goal, adding his six points to the score in the Moshannon game.



The team is in a huddle! Last minute instructions and a word of encouragement are given by Mr. Ralston to his boys.



While the cheerleaders and members of both teams look on, a floral "C" is presented by Clearfielder Sandy Brown to Barbara Hilleman. This presentation was made in recognition of the first game played on our new court.

Expressions of anxiety, amusement, and disbelief are on the countenances of these CJHS hardwood rooters as they yell encouragement to the team.

Trotters Of The Hardwood

Fortunate was this year's basketball squad for they had one of the finest courts in this area on which to play, and they had an able and likable coach, Mr. George Ralston, to work with them. In an effort to produce an efficient and skillful team, Coach Ralston required long hours of practice, and enforced strict training rules. Dribbling and shooting drills were always prominent in practice sessions. The season was not too successful scorewise, as the team lost numerous heartbreakers by slim margins. Nevertheless, "Black and Gold" never lacked that competitive spirit and sportsmanship so necessary in any interscholastic contest.

We were host to our arch-rival, Clearfield, in the first game on our new floor, at which time they extended their congratulations by presenting us a floral "C."

As the season progressed diminutive star forward Jim Lippert gained recognition and was eventually named on the first team of the all-county basketball squad.

Undoubtedly the Tidemen will face a great challenge next year, because, as a result of the school's increased enrollment, we must engage in difficult Class A League competition. This should not only be a challenge to the players, but also to all those interested in the sport.

Left to right: Stuard Gates, Duane Rowles, Philip Wingard, Charles Wink, Dan Moore, Tom Thacik, Will Browne, Dave Heidt, Ronald Norris, Don Norris, Jerry Bloom. Jim Lippert was absent when the picture was taken.

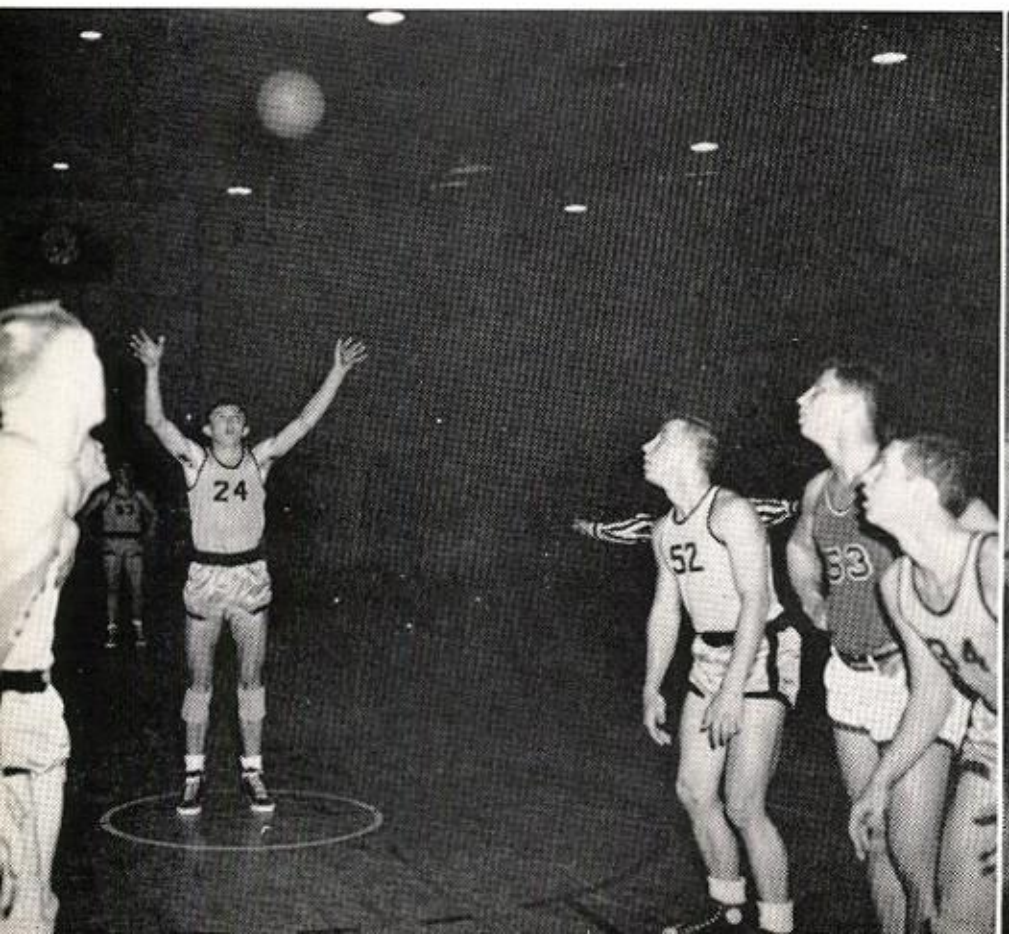
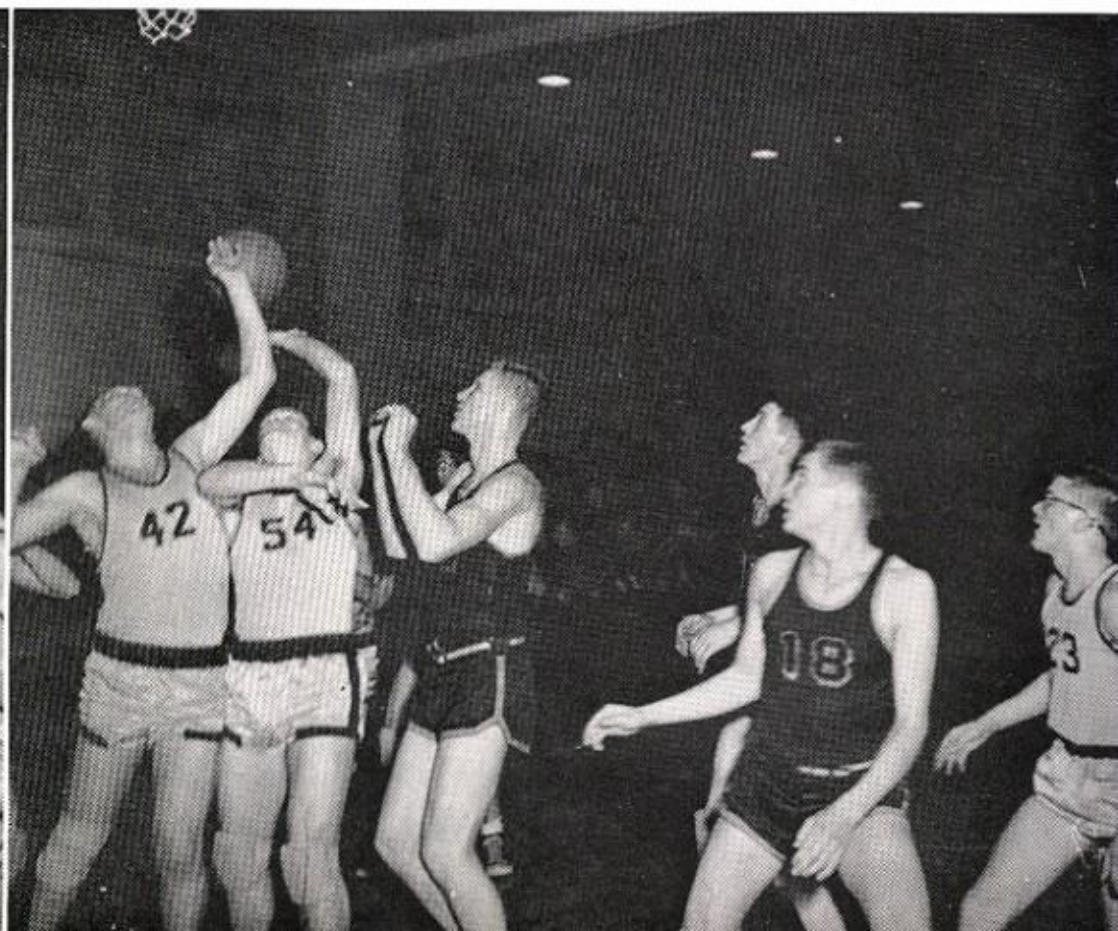
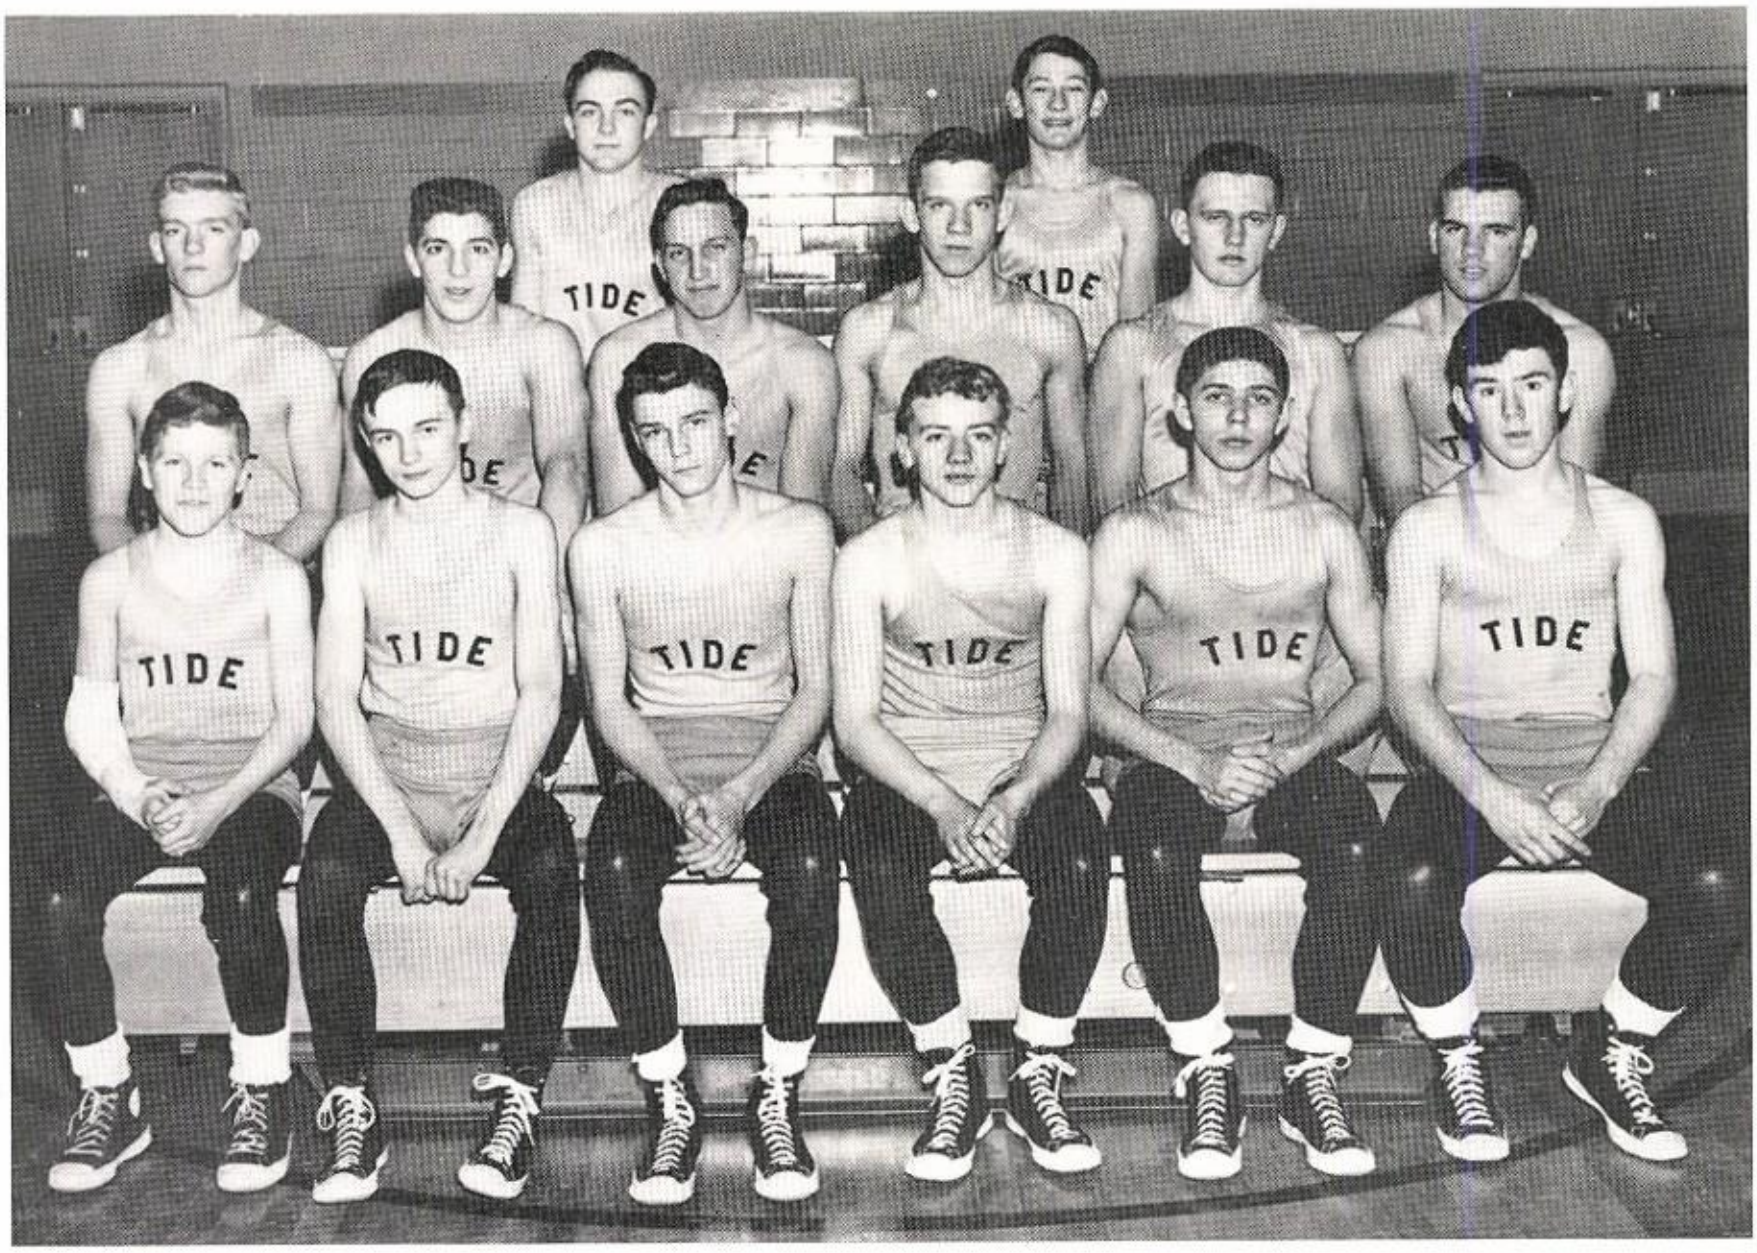
Our lanky center, Tom Thacik, lets the ball fly for a foul shot. Waiting with abated breath are two of Tom's teammates, Don Norris (52) and Will Browne (34).



Dan Moore (42) and Dave Heidt (54) vie for the ball as the opponents close in. At the extreme right is Jim Lippert waiting anxiously to get hold of the ball.





Front Row, left to right: James Kelly, Thomas Simbeck, Glenn Wilkinson, Lanny Bloom, Terry Bloom, Victor McNeel. **Row 2:** James Irwin, Lyle Domico, John Hipps, Dennis Condon, Jerry Norris, James Hess. **Back Row:** Dale Kline, Gary Selner.

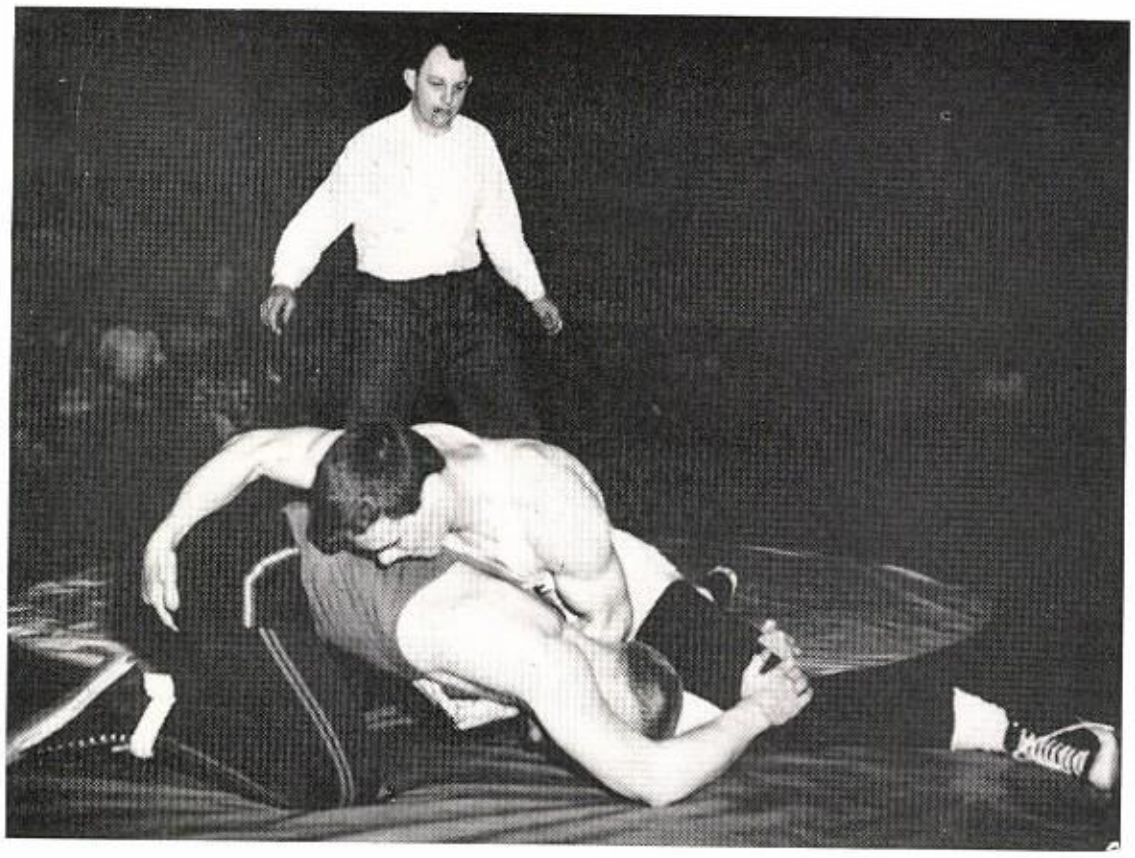
Grapplers Of The Mat

This year a new sport was introduced to the enthusiastic fans at C.J.H.S. For the first time the sports-minded young men of our school could participate in interscholastic wrestling. Coached by Mr. John Palmer, who taught the boys the basic rules and fundamentals of wrestling, the team showed marked improvement throughout the year and are to be complimented for their exceptional first year standing.

The large crowds attending all home matches proved that this new sport was not only well received by the students and faculty but by the surrounding community as well. This support bolstered the morale of the boys and urged them on to success.

Although this was our first season of wrestling, Curwensville was greatly honored by having the district tournaments held in our expansive gymnasium. C.J.H.S. heavyweight, Jim Hess, who had a record of eleven wins and no losses, displayed excellent ability in the districts and won second place honors. Tom Simbeck, Glenn Wilkinson, Herman Domico, and Victor McNeel won third place awards for the Tide wrestlers.

With the continued cooperation and interest of participants and fans, we are sure wrestling will be an even greater success in future years.

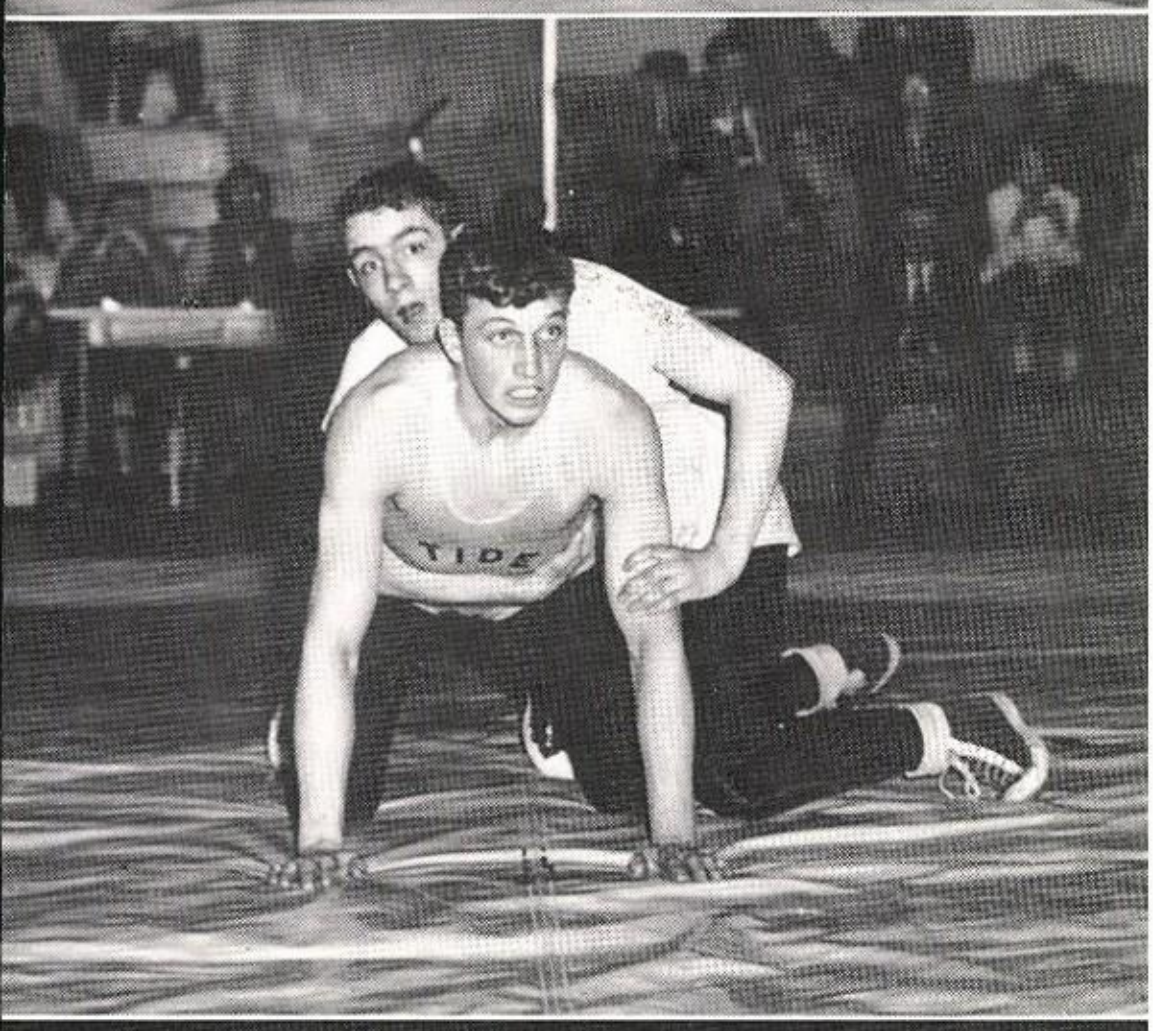


Trying for a reversal is Jim Hess, our only matman to reach the finals in the districts held here in Curwensville. His opponent, Don Swarm, a Clearfielder, is at the moment being given a rather rough time by Jim.

The boys have a little rough and tumble before settling down to begin a practice session, which is so necessary in building good wrestlers.

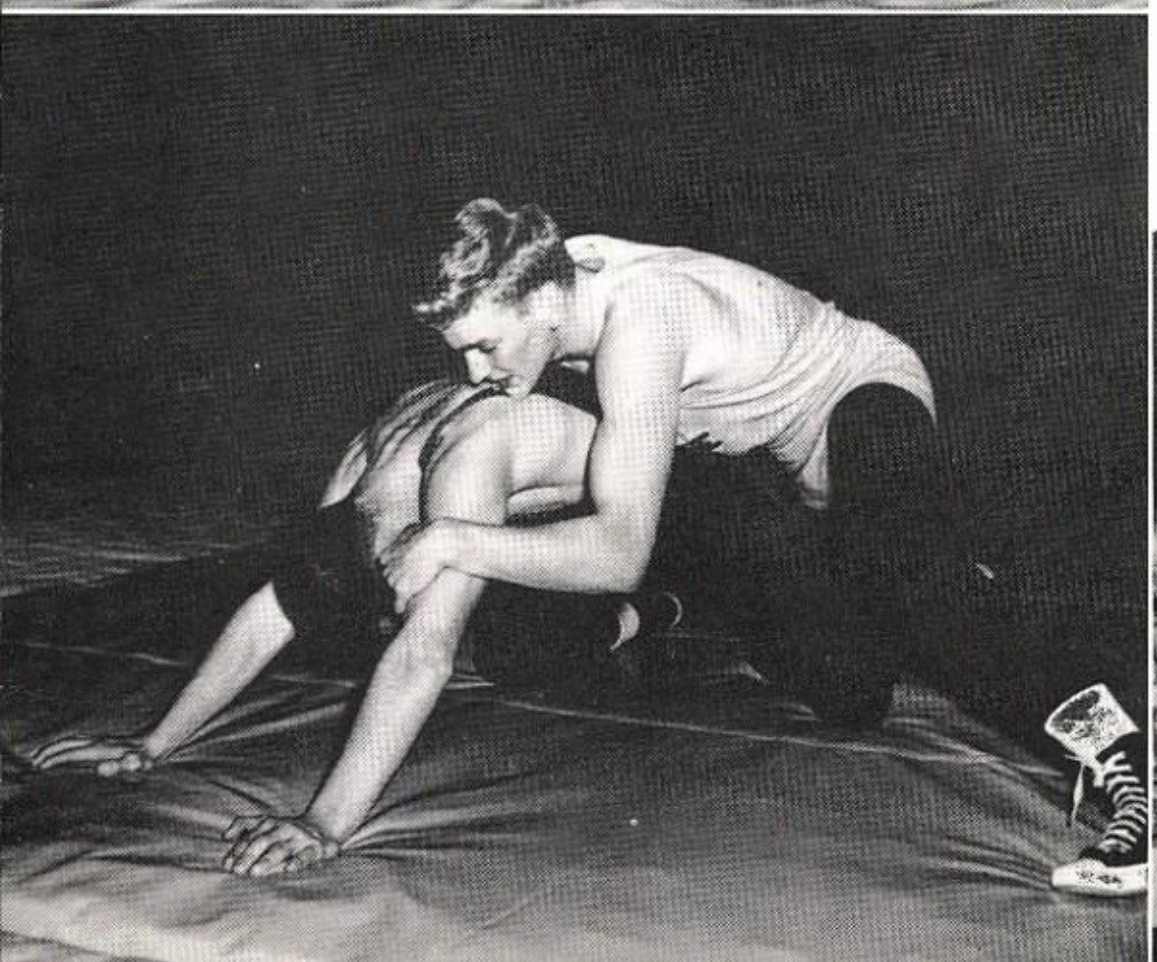
Jim Irwin and John Hipps demonstrate a starting position for "eager to learn" co-wrestlers.

Lyle Domico appears to be going to sink his teeth into the shoulder of his opponent as he attempts to bring him to the mat.



Our cameraman caught John Hipps' opponent off guard, but John himself looks determined to get the first move when he comes out of that referee's position.

Jim Irwin looks as "cool as a cucumber" as he prepares his opponent for a breakdown.



Victor McNeel gets his brow mopped by coach of the matmen, Mr. Palmer, between the 2nd and 3rd periods.

Sluggers Of The Diamond

Kneeling, left to right: Richard Thorp, Fahy McDonald, Edmund Ardary, Duane Rowles, Paul Berry, Lyle Domico, Don Norris, Kent Michael, James Lippert. **Standing:** Glenn Pentz, Clair Sunderland, Gerald Reed, John Carfley, Dan Moore, Richard Traister, Andrew Kashella, Richard Remaley, Glenn Wilkinson, Paul Lynch, Jerry Bloom.

The distinction of sharing the co-championship of District 9 Baseball League with Clearfield came to our squad this season. Due to the expert guidance of Coach Al Brown and the willingness of the boys to practice long and diligently, the Tidemen fielded a team excellent in form and spirit.

All concerned agree that the weatherman played havoc with the schedule, forcing cancellations and postponements. Even though the field was often muddy and sloshy, and the weather wet and cold, the boys held regular practice sessions, letting nothing dampen their enthusiasm or pep.

Clair Sunderland and Glenn Pentz paced C.J.H.S. to its co-championship. According to official compilations, Sunderland topped the batsmen, hitting for a high .382 average, while Pentz led the pitchers, winning three games against no losses. The seniors who held key positions on the squad will be sorely missed next season, but we feel confident that if the fine spirit continues, we will once more have a creditable team.

We are proud and sincerely happy that this year baseball, as well as football, basketball, and wrestling, has its rightful place in the ECHO.

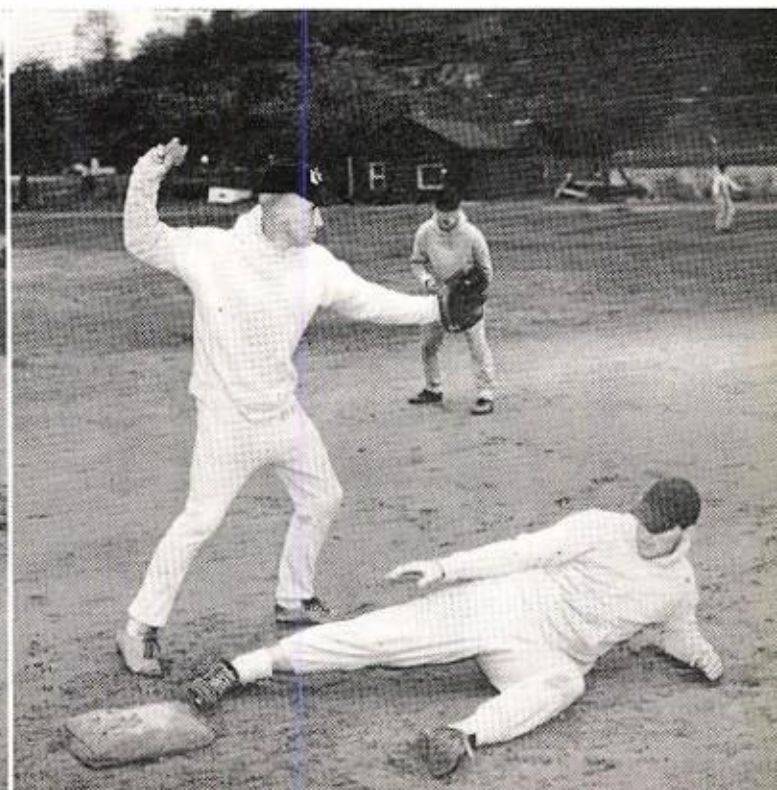
Lyle Domico arrives at first a split second too late.

"On deck," getting the feel of the bat, is Don Norris, our third baseman.

Victory over Clearfield is evident, judging from the expressions on the faces of the boys in the dugout.

Catcher Paul Berry, pitcher Glenn Pentz, and first-baseman Dick Thorp confer at the mound in a practice session.

Jim Hess, sliding to second, apparently is not quite fast enough for alert Don Norris, who tags him out as Dick Traister looks on from the shortstop position.



The Music Program

Many and varied are the benefits derived by those students who participate in the program of our music department. Not only are the abilities of our vocalists and instrumentalists developed, but their appreciation of, and love for worthwhile music is deepened. Those who take part develop the qualities of cooperation, persistence, dependability, and self-confidence. Students realize early that all must work together if the desired results are to be achieved.

Innumerable school activities have taken on added interest because the music department added background or atmosphere. With all the innovations in the physical provisions for our department, doubtless in years to come these students will contribute even more to school life.

The "sound" department boasts of a music library where we find Mr. Rupert and Mr. Johnstone, who are our head music men.

We were all very elated that Richard Curry was selected to participate in State Band held at Meadville at which time he ably represented our school.

"Practice makes perfect" is an expression familiar to the ears of all musicians in the band. Under the skillful direction of the instrumental instructor, Mr. Gerald Rupert, the President, Joyce Tate, and the Vice-President, Nancy Perilla, the band accomplished many things this year.

During the football season, both at home games and away, and in all kinds of weather, this group of diligent students marched and drilled in an effort to bolster the morale and school spirit of the fans.

Several concerts were given by the band during the year, one on the evening of the movie they sponsored and the other at the Spring Concert.

At the band banquet held by the Band Mothers, Joyce Tate was awarded the John Philip Sousa award, after having been selected by her fellow workers as the outstanding musician.

One hundred forty-seven voices clear and strong, blended in songs of beauty, delighted student audiences and the public this past year. The Senior Chorus was a busy and popular activity at C.J.H.S.

Every Monday, Thursday, and Friday, the Choir practiced faithfully and diligently during activity period. They drilled on tone production and dynamics to obtain a better appreciation of worthwhile music composed by our masters.

The Chorus, under the direction of Mr. Arch Johnstone, highlighted the "Christmas Cantata," our annual holiday program, by rendering an enjoyable selection from "The Messiah."

As a year-end activity, they took part in the annual Spring Concert held in observance of National Music Week.

Nancy Straw spent many hours and expended much energy in order to furnish a fitting accompaniment for our choral groups. She is to be congratulated for her many excellent performances.

Organizations

Our school boasts of a variety of school-sponsored organizations, each contributing to the development of a well-rounded individual. Some, such as our Tri-Hi-Y groups, stress community service, while others aid their members in the selection of future vocations. But whatever the specific aim, each organization provides the opportunity for our youth to grow morally, physically, intellectually, and socially.

Much credit for the success of our extra-curricular program must be given to the faculty sponsors who gave so willingly of their time and energy.

Assembled outside the far entrance to the gym lobby, informally discussing the year's activities, are the presidents of our various organizations. They are **(left to right)** Charles Wink, Elaine Fisher, Dorothy Barrett, Elaine Hullihen, Nancy Straw, Edward Spencer, and Mae Matthews.

The Voice Of The Echo

New plans were in store for me. For the first time in my history, I would be a summer edition. The additional pages of sports, dances, and year-end activities that were to be recorded between my covers called for more work, new ideas, and more money. The cooperative Business Staff, guided by Mr. John Boob and Chairman James Hess, and aided by all Seniors, waged a "bang-up" campaign, canvassing the business concerns and homes of the area, leaving not a pocket unturned.

My creators, advised by Mrs. Betty Bonsall, Mrs. Lois Stone, and Miss Shirley Whitesmith, set to work formulating the plan for my development. My ingenious, energetic, and responsible Editor, Joyce Tate, officiated many times at building me up and tearing me down. But after weeks of struggle the dummy sheets started to fill with masters of composition in photography and precisely written copy. The pictorial stories between my covers were written through the clever manipulation of shutter and lights by Glenn Williams, my press cameraman, to whom the staff is deeply grateful. Glenn was advised by Mr. Carl Bordas and Mr. Leslie Leach, faculty photographers.

Carol Buell, Associate Editor, supervised the typists as their flying fingers joined in the race to meet the deadline for my completion. The day arrived and I was ready!

The Alpha Tri-Hi-Y, a service club, had as its sponsor, Mrs. Ella Briggs. President Nancy Straw, Vice President Nancy Bartell, Secretary Mary Rafferty, and Treasurer Vonda Lee Rowles led the club in many and varied activities during the year.

Preparing and selling a student telephone directory, going Christmas caroling, assisting in the March of Dimes drive, selling refreshments at basketball games, sponsoring the Coronation Ball, and planning two school assemblies all were projects that sustained the interest of the members as well as provided services to the school and community.

To end the year's activities, the officers officiated at the installation of the new officers and distributed pins to the new members.

Beta Trí-Hí-Y

About eighty members strong, this club had a very active and enjoyable year under the leadership of the faculty advisor, Mrs. Ella Briggs and the following officers: Dorothy Barrett, President; Shelia Rafferty, Vice President; Carol Strickland, Secretary; Shirley Clouser, Treasurer.

The Service Committee engineered such charitable projects as the Junior Red Cross and Tuberculosis Drives and made tray favors for the guests at the County Home.

In order to finance the sending of delegates to a summer Tri-Hi-Y Conference and the purchasing of pins, this group of girls sold taffy and refreshments at basketball games. They also served as waitresses at a banquet held at our cafeteria.

One of Beta Tri-Hi-Y's projects was sending Junior Red Cross boxes to needy children. Packing the boxes for mailing are **(left to right)** Carlene Clark, Carolyn Irwin, and Mary Ellen Hepfer.

Future Farmers of America

Unloading fertilizer for their farming project are Martin Johnson and Clyde Smay. This ought to guarantee a good crop of corn.

Recognizing the need for vocational training in a community such as ours, the Future Farmers of America furnishes the means for its members to get some practical experience in farming and marketing their crops.

This year these boys again sold Eastern seeds and onion plants as a money-making project. Their main project was the plowing and preparing of a sizable field on the school property. Then corn and oats were planted. Boys who support the club's activities are rewarded by being sent to the Farm Show at Harrisburg.

The annual Father and Son Banquet was held at the Grange Hall in Grampian at which time awards were presented.

This year's officers were: President, Edward Spencer; Vice President, Clyde Smay; Secretary, Martin Johnson; Treasurer, Edward Pentz. Mr. Thomas Allison served as faculty advisor.

Future Homemakers Of America

The Future Homemakers offer an opportunity for the further development of pupil initiative in planning and carrying out activities related to homemaking.

These girls got experience in corsage making at Christmas time when they made and sold attractive seasonal corsages. Their cooking skills were put to work when they prepared and served a meal to the district wrestling coaches and other officials.

Our F.H.A. girls were hostesses for a regional meeting of their organization held in our building. The members also participated in the Home Project Recognition Day held at B. C. I.

President Elaine Hullihen, Vice-President Nellie Snyder, Secretary Jean Conrad, and Treasurer Mona Rafferty, with Mrs. Ellen Henry as advisor, led the girls to a successful completion of a profitable year.

Baking coffee cakes to be used at the Regional Home Economics gathering are Elaine Hullihen, Jean Conrad, Nellie Snyder, and Mona Rafferty.

Waiting with expectant faces for Julia Heil to read them a story are these first graders of the South Side School.

Future Teachers Of America

The main interest of the Future Teachers this year was a study of elementary teaching. For experience in a teaching situation, each member visited the South Side Elementary School, and mingled with the children, playing games with them and reading stories to them.

In the spring the club sponsored a school assembly at which time a movie depicting the school life of an elementary teacher was shown. A visit to the Grove City College campus proved interesting to the members.

Mr. Leslie Leach, sponsor, aided Elaine Fisher, President, Marjorie Neal, Vice President, and Mary Ann Johnston, Secretary-Treasurer in directing the activities of the club during the year.

Front Row: Elaine Hepburn, Elaine Fisher, Marjorie Neal, Mary Ann Johnston, Eloise Clever. **Row 2:** Marylin Smith, Janet Hess, Barbara Cleaver, Alice Tate, Gloria Hipps. **Back Row:** Carol Buell, Dorothy Snyder, Gail Witherow.

Lettermen's Club

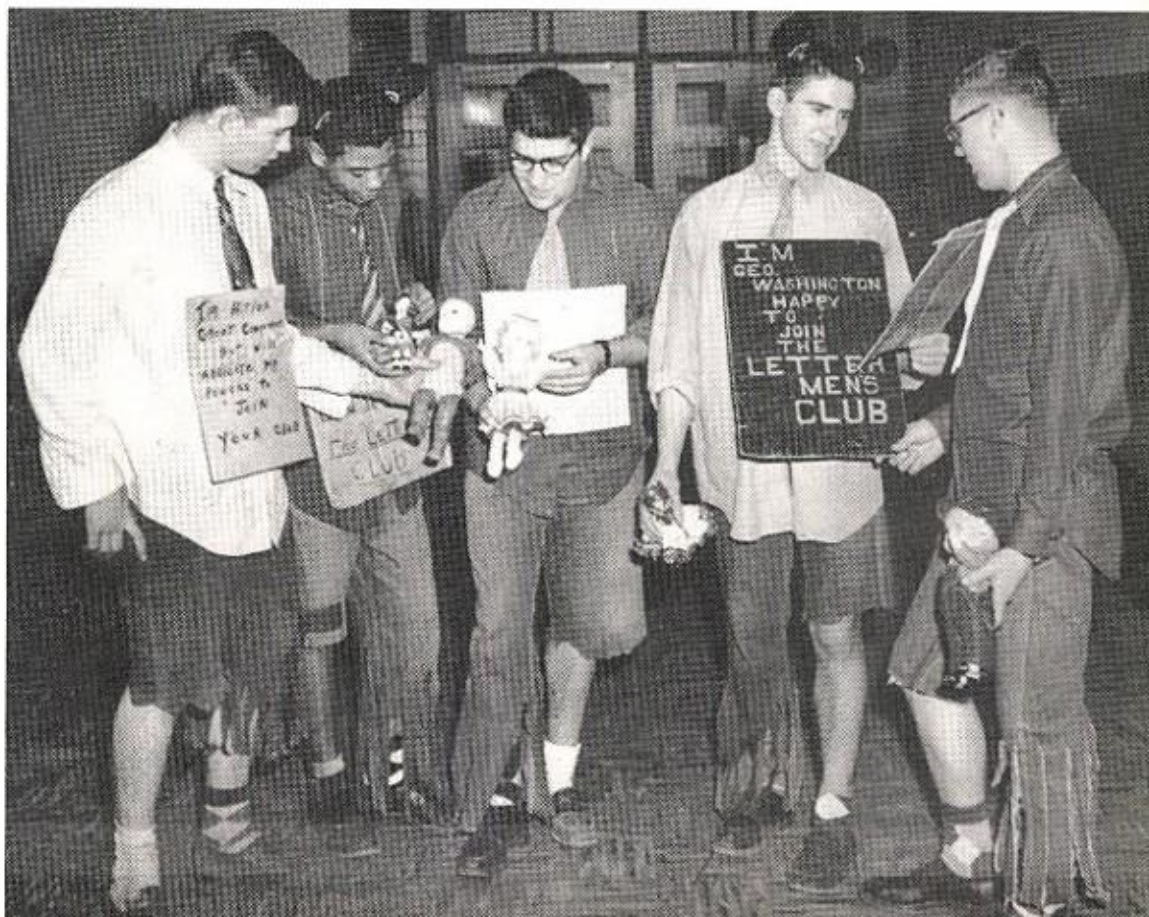
Proudly worn by all members of this club is the "C" earned by participating in one or more major sports. Under the direction of Mr. Brown and President Charles Wink, Vice President Don Norris, and Secretary-Treasurer Robert Povlich, the club functioned effectively this year.

To raise money to buy sweaters for senior members earning them, the club sponsored the sale of programs at football games. Nineteen seniors received award sweaters this year.

Members are to maintain at all time high standards of conduct and especially during training seasons are they to strictly adhere to all rules and regulations.

Each season the members vote for the best sportsman of the year, for which he receives an award. James Hess was selected this year.

Initiation into the Lettermen's Club calls for good sportsmanship on the part of the prospective members. Here we see, **left to right,** John Klusak, Paul Lynch, Victor Catalano, Andy Kashella and Dick Hewitt in the required costume, complete with properties.



Seated left to right: Josephine Errigo, Nancy Perilla, Ann Snyder, Carla McMasters, Barbara Hilleman. **Standing:** Elaine Hullihen, Mae Matthews, Florence Cathcart, Joyce Tate, Mary Ann Johnston, Dortha Bell, Dixie Bloom.

Librarians

This is a typical scene of worthwhile activity in the school library as students do research work for various classes. Two young people are consulting the card catalogue and the unabridged dictionary.

A hard-working group in C.J.H.S. extra-curricular life were the girls who assisted our librarian, Mrs. Betty Bonsall. These girls willingly gave their time during study periods to help in the tasks connected with a smoothly running library service for the school.

Carla McMasters and Ann Snyder served during the lending and borrowing periods. These girls were very helpful to underclassmen when they were selecting books to read.

The other librarians aided in shelving and repairing books, and in keeping the room neat and clean. They were always ready to help library users find reference materials needed for classroom assignments. They did much to make the library a pleasant place for study and research.

Press Club

No longer could the Press Club publication be called the "Pattonite," so as a result of a "Name the Paper Contest," the paper was dubbed the "Tidette."

Mae Matthews, President; Jo Ellen Thompson, Vice-President; Secretary, Gloria Fryer; and Treasurer, Anna Henry combined their efforts with the hard-working Editor, Mary Rafferty and Assistant Editor, Dennis Pannacci to establish the foundation that created unity among the members. Mrs. Eleanor Peters and Mrs. Jane Stadtmiller gave their time as advisors.

The goal of the Club this year was to publish a paper that would have student appeal, as well as serving as a source of information. The "Sock Hop" was another club sponsored activity.

Frank Errigo, Earl Neamy, Anna Henry, and Mary Rafferty are busy operating the mimeograph machine, trying to meet the deadline for the "Tidette."

Our ever-ready stage hands, Joe Clark, John Hooven, and Stanley Billotte made themselves constantly available during stage activities to keep things moving smoothly. On the right is the switch panel, which is operated by Stanley, controlling all the lights in the auditorium.

Stage Club

One of the newest clubs to be organized in our school is the Stage Club, which is divided into two sections, the junior group with Stanley Billotte as president, and the senior group whose president was Charles Wink. Other officers serving the senior section were Daniel Moore, Vice President, and Catherine Johnson, Secretary-Treasurer. Both groups had Mr. Charles McCarl as the sponsor.

During this year the members assisted in the staging of the Junior and Senior Class plays, operated the curtain and the lights, and furnished the sound effects. They also were the ushers on the nights of the performances.

The seniors are indeed grateful to Stanley Billotte who gave of his time and ability in the staging of the class play and commencement.

Our junior year we had much fun producing our class play, "The Big Blow-Up." Ably directed by Mr. Jack Rafferty and our student directors, Josephine Errigo and Nancy Straw, the cast worked themselves into quite a dilemma over four "look-alike" suitcases. A time bomb and a string of pearls added to the confusion. The cast **(seated left to right)** was Nancy Perilla, Joyce Tate, Frances Errigo, Patricia Carfley, Jo Ellen Thompson, Maryella Frankhouser; **(standing)** Nancy Straw, Charles Wink, James Buck, Dennis Pannacci, Kathryn Smith, Fahy McDonald, Dale Pierson, Josephine Errigo.

"Turn Back The Clock"

Senior Class Play

The guests are thoroughly enjoying themselves doing the Charleston at the party.

Our directress, Miss Leib, and her two faithful student assistants, Maryella Frankhouser and Mae Matthews, clear the make-up table back stage after a successful performance of "Turn Back the Clock."

"Hilda," the fun loving maid, has a costume fitted by one of our seamstresses, Joyce Tate, while Vonda Rowles works on another play costume at one of the home ec. machines.

"Ollie" Bannister is informed by Sally Palmer that "it isn't polite to put your feet on the furniture," while his sister, Barbara Bannister, looks on with a disapproving eye.

It looks like Maybelle Harris, "queen of the campus," has won again. She and Larry depart for an afternoon of fun, as Irene Isherwood stands with that "left-out" look.

The whole family welcomes son Larry home from college. Larry embraces "Mom" Palmer while Evie and Dad look on. Sally is just coming down the steps to greet her big brother.

These six students are our closest approach to being geniuses, having attained an average of 90 per cent or better during 3½ years of high school. They appear in order of rank, **left to right:** Frances Errigo, Carol Buell, Nancy Straw, Josephine Errigo, Donna Wall, Barbara Hilleman.

The junior high winners of the American Legion Auxiliary Essay Contest were, **left to right:** William Barr, third prize; Maxine Johnston, second prize; Terrance McKenrick, first prize.

Our two top spellers, Darlene Shaffer and Dorothy Greslick, both seventh graders, contemplate just how they will spend their newly acquired prize money. These girls entered as C.J.H.S.'s contestants in the county spell-down, where they were eliminated.

Gail Witherow won the D.A.R. American History Prize awarded to the sophomore with the highest average in that subject.

Thomas Riddle, the delegate to the United Nations "Pilgrimage for Youth" in New York City, along with his alternates, Elaine Fisher and Nancy Bartell, brushes up on the functions of the U. N.

Our very regal king and queen, Charles Wink and Catherine Johnson, pose in their ornate robes. They reigned at the Coronation Ball sponsored by the Alpha Tri-Hi-Y.

Four Songstresses who were "Singing In The Rain" at the senior dance, "April Showers," admire the king-sized umbrella which was the center of attraction.

Our Social Life

In addition to the many other activities, dances of every sort and description were enthusiastically attended by Curwensville students who enjoyed dancing everything from the "Grapevine Twist" to "The Rock and Roll Waltz."

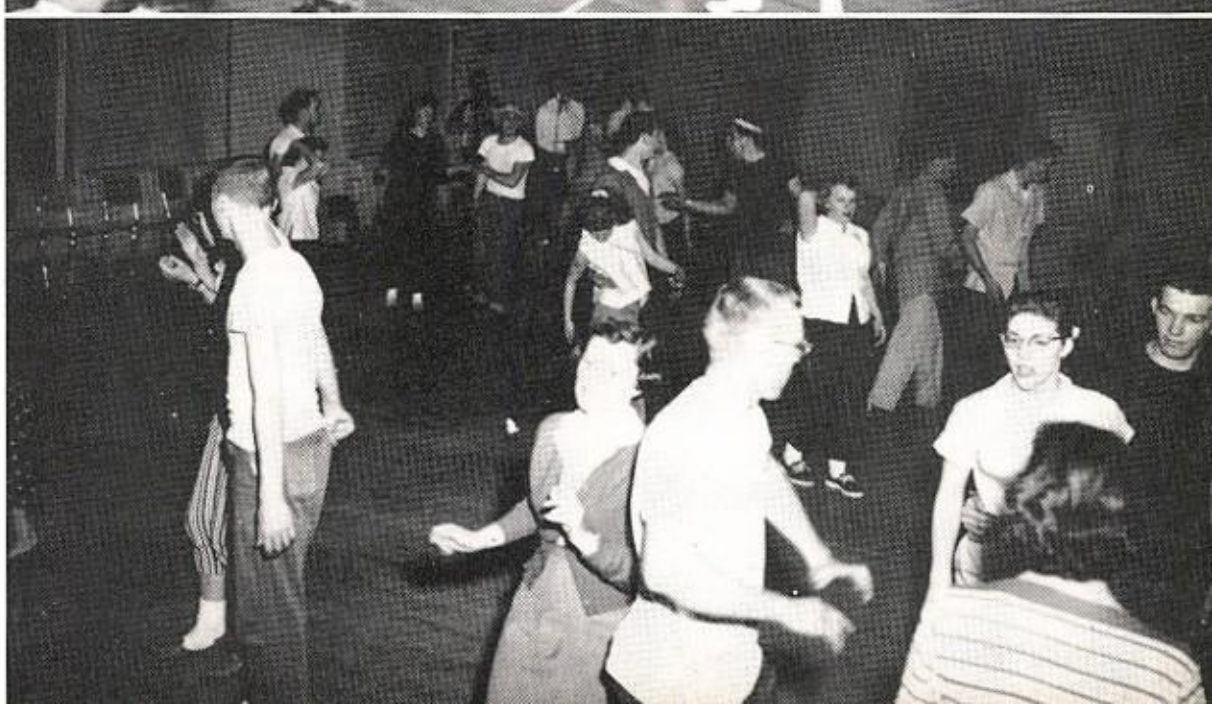
Not only did they look forward to the music, dancing and companionship, but also to the decorations and food. Those who attended will never forget the space men, flying saucers, large umbrellas, and many other unusual decorations seen at the various dances throughout the year. At intermission the students, in addition to being royally entertained by blues singers, comedians, and quartets, were often served cookies, mints, sherbet punch, or sandwiches.

"King Charles" and "Queen Catherine" pose with their attendants after the Coronation Ball. Flanking the king and queen on the left are the crown bearers, Monroe Bloom and Patty Allison, while on the right are the scepter bearers, Darlene Shaffer and James Straw. Members of the court in the **back row, left to right** are Shelia Rafferty, Sally McAnulty, Marjorie Neal, Linda Johns, Kathryn Riddle, and Carol Knepp.

The highlight of any social event is "eat time." As always, those male appetites are at the head of the punch and cookie line. This scene was taken at the junior dance, "Moonlight Serenade."

Grab your partner! It's square dance time. That gym floor vibrated with "allemande left," and "promenade" at the Press Club Sock Hop.

Those energetic seniors never tire of square dancing. They spent an entire evening of it at their class night held at Albert's Airport.



The juniors, hosts at the Junior-Senior Banquet, fortified their guests with a jet propelled meal before taking off for "A Night in Space." Juniors, seniors, and faculty alike, tucked away a hearty spaceman's dinner of rocket fuel, zodiac special, moon spuds and Saturn slaw.

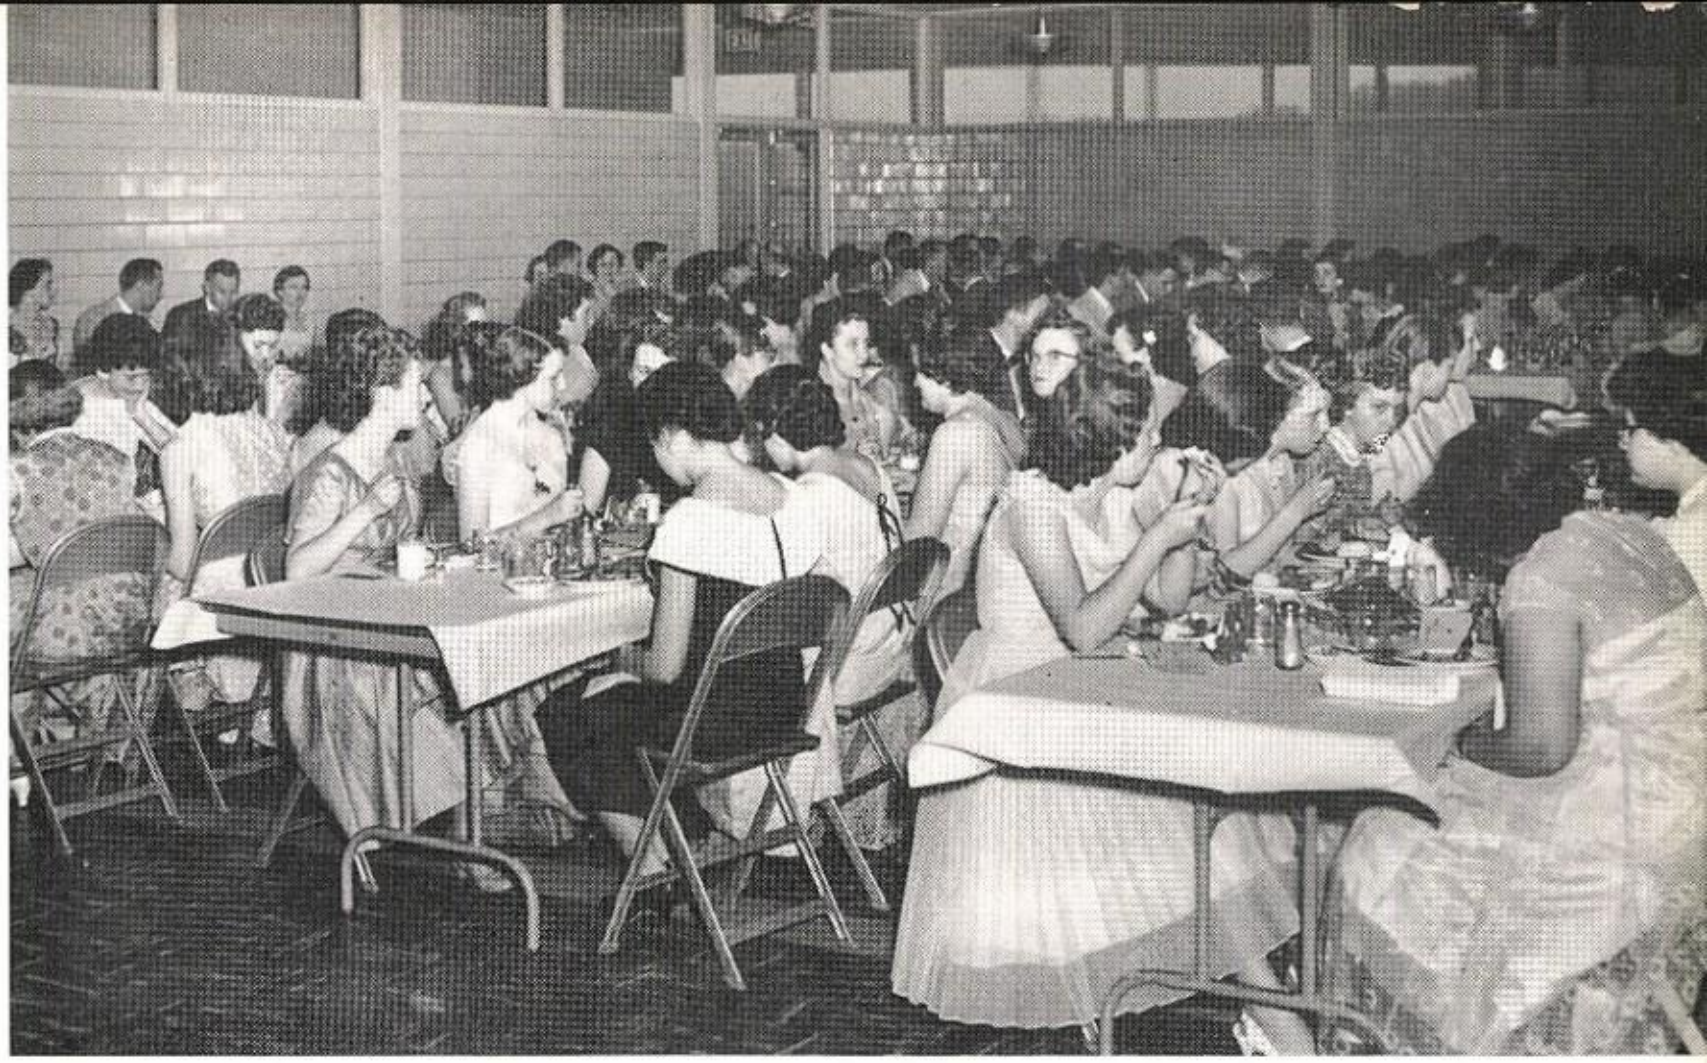
The atmosphere was set with interesting figures of spacemen, just descended from their flying saucers, about to invade the sea of knives, forks and water glasses.

A welcome was extended to all present by Captain of the Junior Spacemen, Thomas Riddle. James Hess, the senior spacemen's captain, gave a response expressing the thanks of his classmates for the opportunity of a life time—that of spending "A Night in Space." Commander of All Space Stations, Mr. John E. Boob, was the speaker for the evening.

After polishing off the Martian's delight for desert, we donned our space-suits and proceeded to the gym for "take-off."

A roaring rocketship swished into the night. We were "off" for an exciting evening spent in space. As we stepped into this new and bizarre world, we were greeted with a scene that delighted and fascinated us. Flying saucers whizzed over our heads. Mysteriously strange lights flashed on and off. As we floated to the music of "The Five Aces," eerie little robots could be seen hiding behind space vegetation, peering at us with weird, blinking eyes.

As adventurers, we had met many new and exciting things. Taking time out between flights, we energetically discussed the exotic sights and sounds.



Class Of 1956

Commencement, the day long-anticipated, finally arrived. Memories—the cap and gown being worn for the last time, the diploma we would at last receive, friends we might not see again—crowded our thoughts as final adjustments were made on collars and mortar boards.

The stately line of figures in blue and white moved slowly into the lobby, where strains of "Pomp and Circumstance" could be heard coming from the orchestra pit in the auditorium. Our courage rose as we caught the solemnity and sincerity of the occasion, but our wobbly ankles belied our attempt to appear composed and well poised.

We took our assigned places; the curtain rose on our last production, a choralogue entitled, "The American Dream," narrated by Frances Errigo, valedictorian, and supplemented by a speaking choir and a singing choir.

As our voices rang out in finality the words of "One World," we seniors looked at that world with eyes full of expectancy as to what it would bring to us.

Our diplomas, earned by 12 long years of hard work, were presented to us by Mr. Clair Dimmick, President of the Joint School Board. With mixed emotions, our voices blended as we sang our "Alma Mater" for the last time as the Class of "56."

We were proud to pose for our graduation picture with diplomas and roses, a gift from the junior class.
